NARA will summarize and include submitted comments in our request for Office of Management and Budget (OMB) approval. After OMB approval, comments will become a matter of public record. In this notice, NARA is soliciting comments concerning the following information collection:

1. Title: National Historical Publications and Records Commission (NHPRC) Grant Program Budget Form and Instructions and NHPRC Grant Offer Acknowledgement. OMB number: 3095–0013. Agency form number: NA Form 17001 and 17001a. Type of review: Regular. Affected public: Nonprofit organizations and institutions, state and local government agencies, and Federally-acknowledged or state-recognized Native American tribes or groups, who apply for and receive NHPRC grants for support of historical documentary editions, archival preservation and planning projects, and other records projects. Estimated number of respondents: 244 per year submit applications; approximately 25 grantees need to submit revised budgets. Estimated time per response: 10 hours per application; 5 hours per revised budget. Frequency of response: On occasion.

Abstract: Pursuant to the Title 2, Section 215 of the Code of Federal Regulations, Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations (formerly Office of Management and Budget (OMB) Circular A–110) and Office of Management and Budget Circular A–133, Audits of States, Local Governments, and Non-Profit Organizations, grant recipients are required to maintain adequate accounting controls and systems in managing and administering Federal funds. Some of the recipients of grants from the National Historical Publications and Records Commission (NHPRC) have proven to have limited experience with managing Federal funds. This questionnaire is designed to identify those potential recipients and provide appropriate training or additional safeguards for Federal funds. Additionally, the questionnaire serves as a pre-audit function in identifying potential deficiencies and minimizing the risk of fraud, waste, abuse, or mismanagement, which we use in lieu of a more costly and time consuming formal pre-award audit.
