32 CFR Part 205

[Docket ID: DOD–2017–OS–0004]

RIN 0790–AJ05

End Use Certificates (EUCs)

AGENCY: Office of the Under Secretary of Defense for Acquisition, Technology, and Logistics, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes DoD’s regulation concerning the signing of EUCs required by foreign governments for foreign defense items purchased by the United States. DoD has determined that this part does not place a burden on the public as it deals with matters internal to DoD. DoD signs end use certificates (following internal coordination and approval) at the behest of a foreign country, when DoD is buying products from that country. Therefore, this part is unnecessary and can be removed from the CFR.

DATES: This rule is effective on January 12, 2018.

FOR FURTHER INFORMATION CONTACT: Karen Kay at 703–693–0909.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing DoD internal policies and procedures that are publicly available on the Department’s issuance website. Once signed, a copy of DoD’s internal guidance contained in DoD Directive 2040.03 will be made available at <http://www.esd.whs.mil/Directives/issuances/dodd/>.

This rule is being removed from the CFR because it does not place a burden on the public as it deals with matters internal to DoD. As a direct result of there being no burden on the public, there was never a cost to the public to execute this rule, therefore, removing it does not provide a cost savings to the public.

National Institute on Disability and Rehabilitation Research (NIDRR) and Independent Living Programs, Outdated, Superseded Regulations

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Final regulations.

SUMMARY: The Secretary removes outdated, superseded regulations for five programs no longer administered by the Department: The Disability and Rehabilitation Research Projects and Centers Program, the Research Fellowships program, the Special Projects and Demonstrations for Spinal Cord Injuries program, the State Independent Living Services program,

and the Centers for Independent Living program. In 2014, the Workforce Innovation and Opportunity Act transferred these programs to the Department of Health and Human Services, which has adopted regulations for them.

DATES: These regulations are effective January 12, 2018.

SUPPLEMENTARY INFORMATION: On February 24, 2017, President Trump signed Executive Order 13777, “Enforcing the Regulatory Reform Agenda,” which established a Federal policy “to alleviate unnecessary regulatory burdens” on the American people. Section 3(a) of the Executive Order directed each Federal agency to establish a regulatory reform task force, the duty of which is to evaluate existing regulations and “make recommendations to the agency head regarding their repeal, replacement, or modification.” Accordingly, the Secretary removes 34 CFR parts 350, 356, 359, 364, 365, and 366 because they have been superseded.

In 2014, the Workforce Innovation and Opportunity Act (WIOA) (Pub. L. 113–128) made significant changes to many programs administered by the Office of Special Education and Rehabilitative Services (OSERS). WIOA transferred the National Institute for Disability and Rehabilitation Research (NIDRR), its functions, and its programs from OSERS to the Administration for Community Living (ACL) within the Department of Health and Human Services (HHS). In the process, WIOA renamed NIDRR the National Institute for Disability, Independent Living, and Rehabilitation Research (NIDILRR). (See, WIOA sections 433, 435, 491(n).) The programs transferred were the Disability and Rehabilitation Research Projects and Centers program, the Research Fellowships program, and the Special Projects and Demonstrations for Spinal Cord Injuries program.

WIOA also created within ACL the Independent Living Administration and transferred to it two programs from the Rehabilitation Services Administration (RSA) within OSERS, namely the State Independent Living Services program and the Centers for Independent Living
