Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is available on the FSIS web page. Through the web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the

option to password protect their accounts.

DEPARTMENT OF COMMERCE

International Trade Administration

U.S. Strategy To Address Trade-Related Forced Localization Barriers Impacting the U.S. ICT Hardware Manufacturing Industry

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice and request for comments.

SUMMARY: The International Trade Administration is seeking information to support the development of a comprehensive strategy to address trade-related forced localization policies, practices, and measures impacting the U.S. information and communications technology (ICT) hardware manufacturing industry. Comments will be used to support the development of a holistic strategic plan for counteracting and deterring the expansion of barriers to trade and trade-related measures put in place by U.S. trading partners that are specifically designed to localize the production and technology development of ICT hardware, and unfairly harm U.S. ICT hardware manufacturers and exports.

DATES: Written comments must be submitted on or before May 14, 2018. Comments must be in English.

ADDRESSES: You may submit responses to the questions below by one of the following methods. Comments should be submitted under docket ITA-2008-0001:

(a) *Electronic Submission:* Submit all electronic comments via the Federal e-Rulemaking Portal at <http://www.regulations.gov>. The materials in the docket will not be edited to remove identifying or contact information, and
