

change has made ISE more attractive or favorable. Finally, all options exchanges are free to compete by listing and trading their own broad-based index options with weekly or end of month expirations.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission shall: (a) By order approve or disapprove such proposed rule change, or (b) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. In particular, the Commission solicits comment on the following:

- Will the pilot data contemplated in this notice allow the Commission to determine whether the weekly and monthly PM-settled options proposed in this filing have adverse effects on market volatility and the operation of fair and orderly markets in the underlying cash market?
- Will the pilot data contemplated in this notice allow the Commission to determine whether the weekly and monthly PM-settled options proposed in this filing have adverse effects on liquidity, volume, open interest, trading patterns, and volatility in other option contracts with standard expirations?
- Will the pilot data contemplated in this notice allow the Commission to determine whether the weekly and monthly PM-settled options proposed in this filing have adverse effects on index price volatility?
- Will the weekly and monthly PM-settled options proposed in this filing affect the market for options contracts with nonstandard expirations offered by CBOE and Phlx? If so, how? In addition, how would this proposal affect the data and information related to nonstandard

expirations that are provided by CBOE and Phlx?

• What concerns do market participants have related to the proposed Nonstandard Expirations Pilot Program? If any, please be specific in describing your concerns. If any, will the pilot data contemplated in this notice allow the Commission to examine whether the concerns are valid?

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 6.13, CBOE Hybrid System Automatic Execution Feature

January 8, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 27, 2017, Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The "Exchange proposes to amend its rules related to stop orders.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change amends Rule 6.13 to modify the automatic handling of stop and stop-limit orders. As defined in Rule 6.53(c), a stop order is a contingency order to buy or sell when the market for a particular option contract reaches a specified price on the Cboe Options floor. A stop order to buy becomes a market order when the option contract trades or is bid at or above the stop price on the Cboe Options floor. A stop order to sell becomes a market order when the option contract trades or is offered at or below the stop-limit price on the Cboe Options floor. A stop-limit order is a contingency order to buy or sell when the market for a particular option contract reaches a specified price. A stop order to buy becomes a limit order

when the option contract trades or is bid at or above the stop-limit price. A stop-limit order to sell becomes a limit order when the option contract trades or is offered at or below the stop-limit price.

The proposed rule change adds Rule 6.13(b)(vii), which states the System cancels a buy (sell) stop or stop-limit order if the Exchange best bid (offer) ("BBO") at the time the System receives the order is equal to or above (below) the stop price. The purpose of a stop or stop-limit order is for it to become a market or limit order, respectively, after the price in a series reaches the stop price. Therefore, there is an implication the submitting Trading Permit Holder intends for the order to not become a market or limit order, respectively, until after an amount of time passes and the series price changes. If the BBO is above or below, as applicable, the stop price when the System receives a stop or stop-limit order, the order converts immediately to a market or limit order, respectively. This is inconsistent with the purpose of the order and the intentions of the submitting Trading Permit Holder. The Exchange believes if a Trading Permit Holder submitted an order at such a price, there is a strong possibility the order was submitted at that price as an error by the Trading Permit Holder. Pursuant to the proposed rule change, the System will reject a stop or stop-limit order that would otherwise immediately convert to a market or limit order, respectively, based on the BBO, which is consistent with the definitions and purposes of these orders.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the

proposed rule change is consistent with the Section 6(b)(5)⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed rule change will protect investors and the public interest and maintain fair and orderly markets by mitigating potential risks associated with market participants entering stop and stop-limit orders at unintended prices, and risks associated with orders trading at prices that are potentially erroneous, which may likely have resulted from human or operational error. The proposed rule change is consistent with the definitions and purposes of stop and stop-limit orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will apply in the same manner to all stop and stop-limit orders Trading Permit Holders submit to the Exchange and will help prevent potentially erroneous executions, which benefits all market participants. Because pursuant to the proposed rule change the System will reject stop and stop-limit orders it receives under certain conditions, the proposed rule change will only impact stop and stop-limit orders Trading Permit Holders submit to the Exchange, based on quotes on the Exchange, and thus will have no impact on intermarket competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A)⁸ of the Act and Rule 19b-4(f)(6)⁹ thereunder. Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

[Release No. 34-82461; File No. SR-CBOE-2017-083]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Schedule

January 8, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 26, 2017, Cboe Exchange, Inc. (the "Exchange" or "Cboe Options") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule. Footnotes 24 and 25 describe the Market-Maker Trading Permit Sliding Scale and Floor Broker Trading Permit Sliding Scale programs, respectively.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary,

and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule. Footnotes 24 and 25 describe the Market-Maker Trading Permit Sliding Scale and Floor Broker Trading Permit Sliding Scale programs, respectively.³ Each program requires a Trading Permit Holder to commit in advance to a specific tier that includes a minimum number of eligible Market-Maker Trading Permits or Floor Broker Trading Permits, as applicable, for each calendar. To do so, a Trading Permit Holder must notify the Registration Services Department by December 25th (or the preceding business day if the 25th is not a business day) of the year prior to each year in which the Trading Permit Holder would like to commit to the sliding scale of the tier of eligible Trading Permits committed to by that Trading Permit Holder for that year.

Generally, the Exchange issues a Regulatory Circular to remind Trading Permit Holders of this notification deadline, including a description of how Trading Permit Holders should notify the Registration Services Department. However, for the 2018 sliding scale program, the Exchange was unable to issue a reminder until December 22, 2017, which is the business day prior to December 25, 2017, and thus the notification deadline. To ensure Trading Permit Holders have sufficient time to provide notification to the Exchange regarding their tier commitments for 2018, the Exchange
