SUPPLEMENTARY INFORMATION: On June 27, 2016, pursuant to the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the 2015 Act), we published an interim final rule to adjust the level of civil monetary penalties (CMP) under sections 1129 and 1140 of the Social Security Act, 42 U.S.C. 1320a–8 and 1320b–10, with an initial “catch-up” adjustment effective August 1, 2016. We announced in the interim final rule that for any future adjustments, we will publish a notice in the Federal Register to announce the new amounts. The annual inflation adjustment in subsequent years must be a cost-of-living adjustment based on any increases in the October Consumer Price Index for All Urban Consumers (CPI–U) (not seasonally adjusted) each year. Inflation adjustment increases must be rounded to the nearest multiple of $1.

We last updated the maximum penalty amounts effective January 15, 2017. Based on Office of Management and Budget (OMB) guidance, the information below serves as public notice of the new maximum penalty amounts for 2018. The adjustment results in the following new maximum penalties, which will be effective as of January 15, 2018.

**Section 1129 CMPs (42 U.S.C. 1320a–8)**

$7,623.00 (current maximum per violation for fraud facilitators in a position of trust) × 1.02041 (OMB-issued inflationary adjustment multiplier) = $7,778.59. When rounded to the nearest dollar, the new maximum penalty is $7,779.00.

$8,084.00 (current maximum per violation for all other violators) × 1.02041 (OMB-issued inflationary adjustment multiplier) = $8,248.99. When rounded to the nearest dollar, the new maximum penalty is $8,249.00.

**Section 1140 CMPs (42 U.S.C. 1320b–10)**

$10,055.00 (current maximum per violation for all violations other than broadcasts or telecasts) × 1.02041 (OMB-issued inflationary adjustment multiplier) = $10,260.22. When rounded to the nearest dollar, the new maximum penalty is $10,260.00.

$50,276.00 (current maximum per broadcast or telecast) × 1.02041 (OMB-issued inflationary adjustment multiplier) = $51,302.13. When rounded to the nearest dollar, the new maximum penalty is $51,302.00.

Dated: December 27, 2017.

Alyson Grunder, Deputy Assistant Secretary for Policy, Bureau of Educational and Cultural Affairs, Department of State.

Borrego Review@state.gov from: Borrego Project Manager, Office of Environmental Quality and Transboundary Issues (OES/EQT); Suite 2726, U.S. Department of State, 2201 C Street NW, Washington, DC 20520.

SUPPLEMENTAL INFORMATION: Executive Order (E.O.) 13337 delegates to the Secretary of State the President’s authority to receive applications for permits for the construction, connection, operation, or maintenance of facilities for the transportation of petroleum, petroleum products, coal, or other fuels (except for natural gas), at the borders of the United States, and to issue or deny such Presidential permits upon a national interest determination.

On August 12, 2016, Borrego submitted an application for a new Presidential permit that would authorize the construction, connection, operation, and maintenance of facilities at the U.S.-Mexico border for the export to Mexico of refined petroleum products (including gasoline, premium gasoline, ultra-low sulfur diesel, and jet fuel). The petroleum products would be transported through the new pipeline to a new terminal in Laredo, Texas, and the existing Nuevo Laredo Terminal in Tamaulipas, Mexico.

The Department prepared the Final EA consistent with the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. Section 4321, et seq.), the regulations of the Council on Environmental Quality (CEQ) (40 CFR parts 1500–1508), and the Department’s implementing regulations (22 CFR part 161). The Draft EA and preliminary FONSI were available for a 30-day public review that ended on November 17, 2017. The Department has determined the proposed action would not result in significant impacts on the environment and therefore the preparation of an Environmental Impact Statement is not required. The FONSI is not a decision on the Presidential permit application. In accordance with E.O. 13337, the Secretary of State or his delegate will make a determination as to whether issuance of a Presidential permit for Borrego Crossing Pipeline, LLC (Borrego), a subsidiary of Howard Midstream Energy Partners, LLC, proposed cross-border pipeline facilities project would serve the national interest.

Robert Wing,
Acting Director, Office of Environmental Quality and Transboundary Issues, Department of State.

Decided: January 8, 2018.
