conjunction with institutional program reviews to assess the administrative capability and compliance of the applicant. There are no other resources for collecting this data.

The HEA requires that if an institution anticipates not using all of its allocated funds for the FWS, and FSEOG programs by the end of an award year, it must specify the anticipated remaining unused amount to the Secretary, who reduces the institution’s allocation accordingly.

The changes to the Perkins Loan Program in this annual update reflect the immediate reporting needs. There will be more extensive changes to the FISAP in next year’s iteration to accommodate the continuing Perkins program close out.

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.
