

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioner timely withdrew its review request, in part, and no other party requested a review of the companies for which the petitioner requested a review. Out of the 18 companies for which the petitioner requested an administrative review, the petitioner withdrew its requests for review of 17 companies, which are listed in the Appendix to this notice.⁶ Accordingly, we are rescinding this review of steel wire garment hangers from China for the period October 1, 2016, through September 30, 2017, in part, with respect to these entities, in accordance with 19 CFR 351.213(d)(1).

This administrative review will continue with respect to Shanghai Wells.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

⁶ As stated in Change in Practice in NME Reviews, Commerce will no longer consider the non-market economy (NME) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: April 19, 2018.

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Honey From the People's Republic of China: Continuation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC) that revocation of the antidumping duty order on honey from the People's Republic of China (China) would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the antidumping duty order.

DATES: Applicable April 26, 2018.

FOR FURTHER INFORMATION CONTACT: Ian Hamilton, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4798.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2001, Commerce published in the **Federal Register** notice of the antidumping duty order on honey from China.¹ On November 1, 2017, Commerce published the notice of initiation of the third five-year (sunset) review of the antidumping duty order on honey from China, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).²

Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through 22, 2018. As a result, the revised deadline for the final results of this sunset review was March 5, 2018.³

Commerce conducted this sunset review on an expedited basis, pursuant to section 751(c)(3)(B) of the Act and 19

All deadlines in this segment of the proceeding have been extended by 3 days.

CFR 351.218(e)(1)(ii)(C)(2), because it received a complete, timely, and adequate response from a domestic interested party but no substantive responses from respondent interested parties. As a result of its review, Commerce determined that revocation of the antidumping duty order would likely lead to a continuation or recurrence of dumping.⁴ Commerce, therefore, notified the ITC of the magnitude of the margins likely to prevail should the antidumping duty order be revoked. On April 19, 2018, the ITC published notice of its determination, pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on honey from China would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Order

The merchandise subject to the order is honey. For a complete description of the scope of this order, see the Issues and Decision Memorandum.⁶

Continuation of the Order

As a result of the determinations by Commerce and the ITC that revocation of the antidumping duty order would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act and 19 CFR 351.218(a), Commerce hereby orders the continuation of the antidumping duty order on honey from China. U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the order will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next sunset review of the order not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Biodiesel From Argentina and Indonesia: Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing antidumping duty (AD) orders on biodiesel from Argentina and Indonesia.

DATES: Applicable April 26, 2018.

FOR FURTHER INFORMATION CONTACT:

David Lindgren (Argentina) or Myrna Lobo (Indonesia); AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3870, or (202) 482-2371, respectively.

SUPPLEMENTARY INFORMATION:

Background

In accordance with section 735(d) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.210(c), on March 1, 2018, Commerce published its affirmative final determinations in the less-than-fair-value (LTFV) investigations of biodiesel from Argentina and Indonesia.¹ On April 16, 2018, the ITC notified Commerce of its affirmative final determination, pursuant to section 735(d) of the Act, that an industry in the United States is

materially injured within the meaning of section 735(b)(1)(A)(i) of the Act, by reason of the LTFV imports of biodiesel from Argentina and Indonesia, and its determination that critical circumstances do not exist with respect to imports of biodiesel from Argentina subject to Commerce's affirmative critical circumstances determination.² On April 19, 2018, the ITC published its final determination in the **Federal Register**.³

Scope of the Order

The product covered by these orders is biodiesel from Argentina and Indonesia. For a complete description of the scope of these orders, see the Appendix to this notice.

Antidumping Duty Orders

In accordance with sections 735(b)(1)(A)(i) and 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured by reason of imports of biodiesel from Argentina and Indonesia.⁴ The ITC also notified Commerce of its determination that critical circumstances do not exist with respect to imports of biodiesel from Argentina subject to Commerce's critical circumstances finding.⁵ Therefore, in accordance with section 735(c)(2) of the Act, Commerce is issuing these AD orders.

Because the ITC determined that imports of biodiesel from Argentina and Indonesia are materially injuring a U.S. industry, unliquidated entries of such merchandise from Argentina and Indonesia, entered or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties. Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise, for all relevant entries of biodiesel from Argentina and Indonesia. Antidumping duties will be assessed on unliquidated entries of biodiesel from Argentina and Indonesia entered, or withdrawn from warehouse for consumption, on or after October 31, 2017, the date on which
