

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. Type of Information Collection: New.
 2. The Title of the Form/Collection: Survey of Elder Justice Needs in Rural America.
 3. The agency form number, if any, and the applicable component of the Department sponsoring the collection: Civil Division, United States Department of Justice.
 4. Affected public who will be asked or required to respond, as well as a brief abstract: Abstract: The US Department of Justice, Elder Justice Initiative is conducting a survey of rural needs for the field of elder abuse. These needs will be combined with findings from local listening sessions and will inform the agenda of a national conference on rural elder abuse in the Fall of 2018.
 5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: It is estimated that no more than 5000 respondents will apply. Each application takes approximately less than 30 minutes to complete and is submitted once per year (annually).
 6. An estimate of the total public burden (in hours) associated with the collection: The total hour burden to complete the applications is 2500 hours. 5000 × 30 minutes = 150,000/60 minutes per hour = 2500 burden hours.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On April 24, 2018, the Department of Justice lodged a proposed consent decree with the United States District Court for the Western District of Pennsylvania in the lawsuit entitled *United States of America, et al. v. MarkWest Liberty Midstream & Resources, LLC, et al.*, Civil Action No. 2:18-cv-00520-LPL.

The lawsuit seeks injunctive relief and civil penalties for violations of the Clean Air Act and Pennsylvania’s and Ohio’s federally-approved State Implementation Plans (“SIPs”) at Defendants’ MarkWest Liberty Midstream & Resources LLC and Ohio Gathering Company, LLC compressor stations and stand-alone pigging facilities in western Pennsylvania and eastern Ohio. The principal violations relate to alleged failures to obtain required permits, including, in some cases, Nonattainment New Source Review and Title V permits, to construct and operate.

The proposed decree requires Defendants to perform injunctive relief, pay a \$610,000 civil penalty, and complete three Supplemental Environmental Projects and a Pennsylvania-only Community Environmental Project. Entering into and fully complying with the proposed consent decree will resolve Defendants’ past civil liability at all covered facilities for various types of violations of the Clean Air Act and the Pennsylvania and Ohio SIPs.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States, et al. v. MarkWest Liberty Midstream & Resources, LLC*, D.J. Ref. No. 90-5-2-1-11374. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
