In addition, this rule is not subject to requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA. It also does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).

This action does not apply on any Indian reservation land or in any other area where EPA or an Indian tribe has demonstrated that a tribe has jurisdiction. As such, it does not have tribal implications as specified by Executive Order 13175 (65 FR 67249, November 9, 2000), nor will it impose substantial direct costs on tribal governments or preempt tribal law.

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Parts 1 and 73

[MB Docket No. 17–106; DA 18–326]

Elimination of Main Studio Rule; Petition for Partial Reconsideration

AGENCY: Federal Communications Commission.

ACTION: Dismissal and denial of petition for partial reconsideration.

SUMMARY: This document dismisses and otherwise denies the Petition for Reconsideration filed by De La Hunt Broadcasting Corp. The Commission’s rules provide that a petition for reconsideration which relies on facts or arguments not previously presented to the Commission will only be granted if one of three circumstances is present, and the Media Bureau concludes that none of the specified circumstances is present here. Because this is a fact-specific inquiry, and not an issue of general applicability, a waiver request is the proper means for considering this issue, and De La Hunt states that it has already requested such a waiver from the Media Bureau.
