

DEPARTMENT OF JUSTICE**Bureau of Alcohol, Tobacco, Firearms and Explosives**

[OMB Number 1140-0062]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Currently Approved Collection; Identification of Imported Explosives Materials

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection OMB 1140-0062 (Identification of Imported Explosives Materials) is being revised due to a change in burden, since there is an increase in the number of respondents, responses, and total burden hours since the last renewal in 2015. The proposed information collection is also being published to obtain comments from the public and affected agencies.

DATES: Comments are encouraged and will be accepted for 60 days until July 2, 2018.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, particularly with respect to the estimated public burden or associated response time, have suggestions, need a copy of the proposed information collection instrument with instructions, or desire any additional information, please contact Anita Scheddel, Program Analyst, Explosives Industry Programs Branch, either by mail 99 New York Ave. NE, Washington, DC 20226, or by email at Anita.Scheddel@atf.gov, or by telephone at 202-648-7158.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

— Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

— Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

— Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

— Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection:

1. *Type of Information Collection* (check justification or form 83): Revision of a currently approved collection.

2. *The Title of the Form/Collection:* Identification of Imported Explosives Materials.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*
Form number (if applicable): None.
Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.
Other (if applicable): None.

Abstract: The information is necessary to ensure that explosive materials can be effectively traced. All licensed importers are required to identify by marking all explosive materials they import for sale or distribution.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 17 respondents will utilize the information collection, and it will take each respondent approximately one hour to respond a total three times annually.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 51 hours, which is equal to 17 (total number of respondents) * 3 (total # of responses annually) * 1 hour (total time to respond).

7. *An Explanation of the Change in Estimates:* Due to an increase in the number of federally licensed explosive material importers, the total respondents, responses, and burden hours for this information collection has

increased by 2, 6 and 6 respectively, since the last renewal in 2015.

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Dated: April 27, 2018.

Melody Braswell,

Department Clearance Officer for PRA, U.S. Department of Justice.

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Currently Approved Collection Identification Markings Placed on Firearms

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection OMB 1140-0050 (Identification Markings Placed on Firearms) is being revised due to a change in burden, since there is an increase in the number of respondents, although there is a reduction in responses and total burden hours from the previous renewal in 2015, due to less firearms being imported. The proposed information collection is also being published to obtain comments from the public and affected agencies.

DATES: Comments are encouraged and will be accepted for 60 days until July 2, 2018.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, particularly with respect to the estimated public burden or associated response time, have suggestions, need a copy of the proposed information collection instrument with instructions, or desire any additional information,

please contact Rinell Lawrence, Firearms Industry Programs Branch (FIPB) either by mail at 99 New York Avenue NE, Washington, DC 20226, by email at fipb-informationcollection@atf.gov, or by telephone at 202-648-7190.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection:

1. *Type of Information Collection (check justification or form 83):* Revision of a currently approved collection.

2. *The Title of the Form/Collection:* Identification Markings Placed on Firearms.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*
Form number (if applicable): None.
Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.
Other (if applicable): None.

Abstract: Each licensed firearms manufacturer or licensed firearm importer must legibly identify each firearm by engraving, casting, stamping (impressing), or otherwise conspicuously placing on the frame or receiver an individual serial number; which will be used to facilitate

investigations about the criminal use of firearms.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 13,868 respondents will utilize this information collection, and it will take each respondent approximately 1 minute to complete each response.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 85,630 hours which is equal to 13,868 (# of respondents) * 370.4767089702913 (# of responses per respondents) * 0.0166667 hours (1 minute).

7. *An Explanation of the Change in Estimates:* Although there is an increase in the number of respondents to this collection by 2,654, the total responses, and burden hours have reduced by 401,768, and 6,696 respectively, due to a general reduction of imported firearms. Consequently, the public burden cost for this information collection was also reduced by \$ 369,627.

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Dated: April 27, 2018.
