

SURFACE TRANSPORTATION BOARD
49 CFR Ch. X
[STB Ex Parte No. 536 (Sub-No. 43)]
Semiannual Regulatory Agenda

AGENCY: Surface Transportation Board.
ACTION: Semiannual regulatory agenda.

SUMMARY: The Surface Transportation Board is publishing the Acting Chairman’s agenda of rulemaking actions pursuant to the Regulatory Flexibility Act (RFA) (Pub. L. 96–354, 94 Stat. 1164) (Sep. 19, 1980). The items listed in the Regulatory Flexibility Agenda for fall 2017 reflect the priorities of the Acting Chairman of the Surface Transportation Board and do not necessarily reflect the priorities of any other individual Board Member.

Listed below are the regulatory actions to be developed or reviewed during the next 12 months. Following each rule identified is a brief description of the rule, including its purpose and legal basis.

FOR FURTHER INFORMATION CONTACT: A contact person is identified for each of the rules listed below.

SUPPLEMENTARY INFORMATION: The RFA, 5 U.S.C. 601 *et seq.*, sets forth a number

of requirements for agency rulemaking. Among other things, the RFA requires that, semiannually, each agency shall publish in the **Federal Register** a Regulatory Flexibility Agenda, which shall contain:

(1) A brief description of the subject area of any rule that the agency expects to propose or promulgate, which is likely to have a significant economic impact on a substantial number of small entities;

(2) A summary of the nature of any such rule under consideration for each subject area listed in the agenda pursuant to paragraph (1), the objectives and legal basis for the issuance of the rule, and an approximate schedule for completing action on any rule for which the agency has issued a general notice of proposed rulemaking; and

(3) The name and telephone number of an agency official knowledgeable about the items listed in paragraph (1).

Accordingly, a list of proceedings appears below containing information about subject areas in which the Board is currently conducting rulemaking proceedings or may institute such proceedings in the near future. It also contains information about existing regulations being reviewed to determine

whether to propose modifications through rulemaking.

The agenda represents the Acting Chairman’s best estimate of rules that will be considered over the next 12 months. However, section 602(d) of the RFA, 5 U.S.C. 602(d), provides: “Nothing in [section 602] precludes an agency from considering or acting on any matter not included in a Regulatory Flexibility Agenda or requires an agency to consider or act on any matter listed in such agenda.”

The Acting Chairman is publishing the agency’s Regulatory Flexibility Agenda for fall 2017 as part of the Unified Agenda of Federal Regulatory and Deregulatory Actions (Unified Agenda). The Unified Agenda is coordinated by the Office of Management and Budget (OMB), pursuant to Executive Orders 12866 and 13563. The Acting Chairman is participating voluntarily in the program to assist OMB and has included rulemaking proceedings in the Unified Agenda beyond those required by the RFA.

Dated: September 18, 2017.

By the Board, Acting Chairman Begeman.

Jeffrey Herzig,
Clearance Clerk.
