PENSION BENEFIT GUARANTY CORPORATION

Submission of Information Collection for OMB Review; Comment Request; Survey of Nonparticipating Single Premium Group Annuity Rates

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for extension of OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation ("PBGC") is requesting that the Office of Management and Budget ("OMB") extend approval with modifications, under the Paperwork Reduction Act, of a collection of information (OMB control number 1212-0030; expires May 31, 2018). This voluntary collection of information is a quarterly survey of insurance company rates for pricing annuity contracts. The American Council of Life Insurers conducts the survey for PBGC. This notice informs the public of PBGC's request and solicits public comment on the collection of information.

DATES: Comments should be submitted by June 20, 2018.

ADDRESSES: Comments should be sent to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Desk Officer for Pension Benefit Guaranty Corporation, via electronic mail at OIRA_DOCKET@omb.eop.gov or by fax to (202) 395-6974.

A copy of the request (including the collection of information) will be posted

on PBGC's website at <https://www.pb.gc.gov/prac/laws-and-regulations/information-collections-under-omb-review>. It may also be obtained without charge by writing to the Disclosure Division of the Office of the General Counsel, 1200 K Street NW, Washington, DC 20005-4026, faxing a request to 202-326-4042, or calling 202-326-4040 during normal business hours (TTY users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4040). The Disclosure Division will email, fax, or mail the information to you, as you request.

FOR FURTHER INFORMATION CONTACT: Stephanie Cibinic (cibinic.stephanie@pb.gc.gov), Deputy Assistant General Counsel, Regulatory Affairs Division, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street NW, Washington, DC 20005-4026, 202 326-4400, extension 6352. TTY users may call the Federal relay service toll-free at 800-877-8339 and ask to be connected to 202-326-4400.

SUPPLEMENTARY INFORMATION: PBGC's regulations prescribe actuarial valuation methods and assumptions (including interest rate assumptions) to be used in determining the actuarial present value of benefits under single-employer plans that terminate (29 CFR part 4044) and under multiemployer plans that undergo a mass withdrawal of contributing employers (29 CFR part 4281). Each month PBGC publishes the interest rates to be used under those regulations for plans terminating or undergoing mass withdrawal during the next month.

The interest rates are intended to reflect current conditions in the annuity markets. To determine these interest rates, PBGC gathers pricing data from insurance companies that are providing annuity contracts to terminating pension plans through a quarterly "Survey of Nonparticipating Single Premium Group Annuity Rates." The American Council of Life Insurers (ACLI) distributes the survey and provides PBGC with "blind" data (*i.e.*, PBGC is unable to match responses with the companies that submitted them). PBGC also uses the information from the survey in determining the interest rates it uses to value benefits payable to participants and beneficiaries in PBGC-trusted plans for purposes of PBGC's financial statements.

PBGC is proposing several changes to the survey distributed by ACLI:

- Reduction in the number of ages for which PBGC requests net rate plan factors for immediate and deferred annuities, and removal of columns

asking for Deferred to Exact Age 60 net rate plan factors. These changes are proposed because the net rate plan factors for the annuitant ages removed are no longer used when deriving interest factors. The proposed changes will simplify the completion of the survey.

- Increases in the dollar ranges of the Settlement Categories in Parts III and IV to better capture variability and range of business accepted by respondents. Dollar amounts previously used were too low to differentiate among insurance companies that responded to the survey.

- Addition of a question asking whether the respondent participated in the survey in the previous year to enable PBGC to determine the extent to which the survey respondents vary over time.

- Addition of a question asking whether the current value of the respondent's annuity portfolio is greater than \$5 billion. This proposed addition will permit PBGC to determine if the insurers who respond to the survey represent a sizable portion of the total annuity market.

On February 8, 2018 (at 83 FR 5649), PBGC gave public notice that it intended to request extension of OMB approval of this collection of information with the modifications and invited public comment by April 9, 2018. One comment was received in response to the notice.

The commenter made two suggestions. After consideration, PBGC determined not to adopt either suggestion because their adoption would reduce the anonymity of the respondents, which in turn may affect the respondents' willingness to participate in the survey. The comment and PBGC's rationale for its decision are discussed in the supporting statement submitted to OMB for this information collection.

OMB has approved this collection of information under control number 1212-0030 through May 31, 2018. PBGC is requesting that OMB extend its approval for another three years with changes. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

This voluntary survey is directed at insurance companies most, if not all, of which are members of ACLI. The survey is conducted quarterly and will be sent to approximately 22 insurance companies. PBGC estimates that about six insurance companies will respond to the survey each quarter, and that each survey will require approximately 30 minutes to complete and return. The total burden is estimated to be 12 hours

(30 minutes per survey × four per year × six respondents).

Issued in Washington, DC by:

Stephanie Cibinic,

Deputy Assistant General Counsel for Regulatory Affairs, Pension Benefit Guaranty Corporation.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83248; File No. SR-NYSEArca2018-32]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Proposed Operation of the Perth Mint Physical Gold ETF Trust

May 15, 2018.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on May 7, 2018, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to reflect a change in the size of a “Basket” applicable to shares of the Perth Mint Physical Gold ETF Trust (“Trust”) from 100,000 Shares to at least 50,000 Shares, and to amend certain other representations in the proposed rule change filed with and approved by the Securities and Exchange Commission (“Commission”) relating to listing and trading of Shares of the Trust on the Exchange.⁴ Shares of the Trust have been approved by the Commission for listing and trading on the Exchange under NYSE Arca Rule 8.201-E. The Trust’s shares have not commenced trading on the Exchange. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and

at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved a proposed rule change relating to listing and trading on the Exchange of shares (“Shares”) of the Trust for listing and trading on the Exchange under NYSE Arca Rule 8.201-E (“Commodity-Based Trust Shares”).⁵ The Exchange proposes to reflect a change in the size of a Creation Unit applicable to Shares of the Trust from 100,000 Shares to at least 50,000 Shares, and to amend certain other representations in the proposed rule change filed with and approved by the Commission relating to listing and trading of Shares of the Trust on the Exchange. The Trust’s Shares have not commenced trading on the Exchange. The sponsors of the Trust will be the Gold Corporation and Exchange Traded Concepts, LLC (“Sponsors”).⁶

Change to the “Basket” Size

The Prior Notice stated that the Trust will issue and redeem “Baskets” equal

⁵ See Securities Exchange Act Release Nos. 82372 (December 21, 2017), 82 FR 61601 (December 28, 2017) (SR-NYSEArca-2017-140) (NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change To List and Trade Shares of the Perth Mint Physical Gold ETF Trust Under NYSE Arca Rule 8.201-E) (“Prior Notice”); 82593 (January 26, 2018), 83 FR 4718 (February 1, 2018) (SR-NYSEArca-2017-140) Order Approving a Proposed Rule Change To List and Trade Shares of the Perth Mint Physical Gold ETF Trust Pursuant to NYSE Arca Rule 8.201-E) (“Prior Order” and, together with the Prior Notice, the “Prior Releases”).

⁶ On April 20, 2018 the Trust filed with the Commission a registration statement on Form S-1 under the Securities Act of 1933 relating to the Trust (File No. 333-224389) (“Registration Statement”). The description of the operation of the Trust herein is based, in part, on the Registration Statement. The procedures described in this proposed rule change will not be implemented until such proposed rule change is effective and operative.

to a block of 100,000 Shares. The Exchange proposes to reflect a change in the proposed size of a Basket from 100,000 Shares to 50,000 Shares. The size of a Basket will be subject to change, but will not exceed 100,000 Shares. A reduction in the size of a Basket may provide potential benefits to investors by facilitating additional creation and redemption activity in the Shares, thereby potentially resulting in increased secondary market trading activity, tighter bid/ask spreads and narrower premiums or discounts to net asset value (“NAV”).⁷

Change to Initial Basket Gold Amount

The Prior Releases stated that the initial Basket Gold Amount is 1,000 Fine Ounces of gold. The Exchange proposes to change this representation to state that the initial Basket Gold Amount is 500 Fine Ounces of gold. The Sponsors represent that this change corresponds proportionately to the change made in the Basket size to 50,000 Shares.

Changes to Representations Regarding Delivery Applicants

As described in the Registration Statement, persons permitted to take delivery of Physical Gold are referred to as “investors” rather than “Delivery Applicants”, as stated in the Prior Notice, and, in connection with such delivery, Shares are delivered to the Gold Corporation and are not surrendered to the Trust, as represented in the Prior Notice. Thus investors that submit an “Application” (rather than a “Delivery Application”, as described in the Prior Notice) to the Gold Corporation⁸ will deliver Shares to the

⁷ The Exchange notes that the Commission has approved the listing and trading of other issues of Commodity-Based Trust Shares that have applied a minimum “Creation Unit” size of less than 50,000 shares. See, e.g., Securities Exchange Act Release Nos. 82249 (December 8, 2017), 82 FR 58884 (December 14, 2017) (SR-NYSEArca-2017-110) (Notice of Filing of Amendment No. 2 and Order Approving on an Accelerated Basis a Proposed Rule Change, as Modified by Amendment No. 2, to List and Trade Shares of the GraniteShares Platinum Trust under NYSE Arca Rule 8.201-E); 81918 (October 23, 2017), 82 FR 49884 (October 27, 2017) (SR-NYSEArca-2017-98) (Order Approving a Proposed Rule Change, as Modified by Amendment No. 1 Thereto, to List and Trade Shares of The Gold Trust under NYSE Arca Rule 8.201-E); 80840 (June 1, 2017), 82 FR 26534 (June 7, 2017) (SR-NYSEArca-2017-33) (Order Approving a Proposed Rule Change, as Modified by Amendment No. 2 Thereto, to List and Trade Shares of the Euro Gold Trust, Pound Gold Trust, and the Yen Gold Trust under NYSE Arca Equities Rule 8.201).

⁸ The Prior Notice stated that “Delivery Application” means a document in a form satisfactory to the Custodian and as set forth in the Prior Notice that expresses a Delivery Applicant’s intention to surrender Shares on a Share Submission Day in exchange for an amount of Gold
