

(b) It will monitor firms to which relief is granted for compliance with the regulatory requirements for which substituted compliance is accepted and will promptly notify the Commission or NFA of any change in status of a firm that would affect its continued eligibility for the exemption granted hereunder, including the termination of its activities in the U.S.;

(c) All transactions with respect to customers located in the U.S. will be made subject to the regulations of NSE;

(d) It will provide the Commission with prompt notice of all material changes to the relevant laws in India, any rules promulgated thereunder, and NSE rules, including, but not limited to NSE's authorization, licensure or registration, as applicable;

(e) Customers located in the U.S. will be provided no less stringent regulatory protection than India customers under all relevant provisions of Indian law; and

(f) It will cooperate with the Commission with respect to any inquiries concerning any activity subject to regulation under the part 30 Regulations, including sharing the information specified in Appendix A on an "as needed" basis and will use its best efforts to notify the Commission if it becomes aware of any information that in its judgment affects the financial or operational viability of a member firm doing business in the U.S. under the exemption granted by this Order.

(2) Each firm seeking relief hereunder must represent in writing that it:

(a) Is located outside the U.S., its territories and possessions and, where applicable, has subsidiaries or affiliates domiciled in the U.S. with a related business (e.g., banks and broker/dealer affiliates) along with a brief description of each subsidiary's or affiliate's identity and principal business in the U.S.;

(e) Consents to participate in any NFA arbitration program that offers a procedure for resolving customer disputes on the papers where such disputes involve representations or activities with respect to transactions under part 30, and consents to notify customers located in the U.S. of the availability of such a program; *provided, however*, that the firm may require its customers located in the U.S. to execute a consent concerning the exhaustion of certain mediation or conciliation procedures made available by NSE prior to bringing an NFA arbitration proceeding; and

(f) Undertakes to comply with the applicable provisions of Indian laws and NSE rules that form the basis upon which this exemption from certain provisions of the Act and regulations thereunder is granted.

As set forth in the Commission's September 11, 1997 Order delegating to NFA certain responsibilities, the written representations set forth in paragraph (2) shall be filed with NFA.⁸ Each firm seeking relief hereunder has an ongoing obligation to notify NFA should there be a material change to any of the representations required in the firm's application for relief.

This Order will become effective as to any designated NSE firm the later of the date of publication of the Order in the **Federal Register** or the filing of the consents set forth in paragraphs (2)(a)–(f). Upon filing of the notice required under paragraph (1)(b) as to any such firm, the relief granted by this Order may be suspended immediately as to that firm. circumstances pursuant to which this Order is granted might require the Commission to reconsider its finding that the standards for relief set forth in Regulation 30.10 and, in particular, Appendix A, have been met. Further, if experience demonstrates that the continued effectiveness of this Order in general, or with respect to a particular firm, would be contrary to public policy or the public interest, or that the systems in place for the exchange of information or other circumstances do not warrant continuation of the exemptive relief granted herein, the Commission may condition, modify, suspend, terminate, withhold as to a specific firm, or otherwise restrict the exemptive relief granted in this Order, as appropriate, on its own motion.

The Commission will continue to monitor the implementation of its program to exempt firms located in jurisdictions generally deemed to have a comparable regulatory program from the application of certain of the foreign futures and option regulations and will make necessary adjustments if appropriate.

[Docket No. SSA–2018–0016]

RIN 0960–A128

Extension of Expiration Date for Endocrine Disorders Body System Listings

AGENCY: Social Security Administration.

ACTION: Final rule.

SUMMARY: We are extending the expiration date of Endocrine Disorders body system in the Listing of Impairments (listings) in our regulations. We are making no other revisions to the body system in this final rule. This extension ensures that we will continue to have the criteria we need to evaluate impairments in the affected body system at step three of the

sequential evaluation processes for initial claims and continuing disability reviews.

DATES: This final rule is effective May 22, 2018.

FOR FURTHER INFORMATION CONTACT: Cheryl A. Williams, Director, Office of Medical Policy, 6401 Security Boulevard, Baltimore, MD 21235-6401, (410) 965-1020. For information on eligibility or filing for benefits, call our national toll-free number, 1-800-772-1213, or TTY 1-800-325-0778, or visit our internet site, Social Security Online, at <http://www.socialsecurity.gov>.

SUPPLEMENTARY INFORMATION:

Background

We use the listings in appendix 1 to subpart P of part 404 of 20 CFR at the third step of the sequential evaluation process to evaluate claims filed by adults and children for benefits based on disability under the title II and title XVI programs.¹ 20 CFR 404.1520(d), 416.920(d), 416.924(d). The listings are in two parts: Part A has listings criteria for adults and Part B has listings criteria for children. If you are age 18 or over, we apply the listings criteria in Part A when we assess your impairment or

combination of impairments. If you are under age 18, we first use the criteria in Part B of the listings when we assess your impairment(s). If the criteria in Part B do not apply, we may use the criteria in Part A when those criteria consider the effects of your impairment(s). 20 CFR 404.1525(b), 416.925(b).

Explanation of Changes

In this final rule, we are extending the date on which the Endocrine Disorders body system will no longer be effective as set out in the following chart:

Body system	Current expiration date	Extended expiration date
Endocrine Disorders (9.00 and 109.00)	June 8, 2018	June 26, 2020.

We continue to revise and update the listings on a regular basis, including those body systems not affected by this final rule.² We continue to evaluate the treatment of disorders in the Endocrine Disorders body system, and intend to update the listing affected by this final rule as necessary based on medical advances. Therefore, we are extending the expiration date listed above.

Regulatory Procedures

Justification for Final Rule

We follow the Administrative Procedure Act (APA) rulemaking procedures specified in 5 U.S.C. 553 in promulgating regulations. Section 702(a)(5) of the Social Security Act, 42 U.S.C. 902(a)(5). Generally, the APA requires that an agency provide prior notice and opportunity for public comment before issuing a final regulation. The APA provides exceptions to the notice-and-comment requirements when an agency finds there is good cause for dispensing with such procedures because they are impracticable, unnecessary, or contrary to the public interest.

We determined that good cause exists for dispensing with the notice and public comment procedures. 5 U.S.C. 553(b)(B). This final rule only extends the date on which the Endocrine Disorders body system listings will no longer be effective. It makes no substantive changes to our rules. Our current regulations³ provide that we may extend, revise, or promulgate the body system listings again. Therefore,

we determined that opportunity for prior comment is unnecessary, and we are issuing this regulation as a final rule.

In addition, for the reasons cited above, we find good cause for dispensing with the 30-day delay in the effective date of this final rule. 5 U.S.C. 553(d)(3). We are not making any substantive changes to the Endocrine Disorders body system listings. Without an extension of the expiration date for the Endocrine Disorders body system listings, we will not have the criteria we need to assess medical impairments in the body system at step three of the sequential evaluation processes. We therefore find it is in the public interest to make this final rule effective on the publication date.

Executive Order 12866, as Supplemented by Executive Order 13563

We consulted with the Office of Management and Budget (OMB) and determined that this final rule does not meet the requirements for a significant regulatory action under Executive Order 12866, as supplemented by Executive Order 13563. Therefore, OMB did not review it. We also determined that this final rule meets the plain language requirement of Executive Order 12866.

Regulatory Flexibility Act

We certify that this final rule does not have a significant economic impact on a substantial number of small entities because it affects only individuals. Therefore, a regulatory flexibility

analysis is not required under the Regulatory Flexibility Act, as amended.

Paperwork Reduction Act

These rules do not create any new or affect any existing collections and, therefore, do not require Office of Management and Budget approval under the Paperwork Reduction Act.

Coast Guard

33 CFR Part 117

[Docket No. USCG–2017–0460]

**Drawbridge Operation Regulation;
Shrewsbury River, Sea Bright, New
Jersey**

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations; request for comments.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Monmouth County Highway Bridge (alternatively referred to as the “Sea Bright Bridge” or the “S–32 Bridge”) across the Shrewsbury River, mile 4.0, at Sea Bright, New Jersey. This deviation will test a proposed change to the drawbridge operation schedule to determine whether a permanent change to the schedule is warranted. This deviation will allow the bridge to operate under an alternate schedule that seeks to balance the seasonally high volume of roadway traffic crossing the bridge during peak hours with the existing needs of marine traffic.

DATES: This deviation is effective from 9 a.m. on May 25, 2018, to 7 p.m. on September 3, 2018.

Comments and related material must reach the Coast Guard on or before September 3, 2018.

ADDRESSES: You may submit comments identified by docket number USCG–2017–0460 using Federal eRulemaking Portal at <http://www.regulations.gov>.

See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section

below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this test deviation, call or email Ms. Donna Leoce, Project Officer, First Coast Guard District, telephone 212–514–4332, donna.d.leoce@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Background, Purpose and Legal Basis

On July 18, 2017, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled, “Drawbridge Operation Regulation; Shrewsbury River, Sea Bright, New Jersey” in the **Federal Register** (82 FR 32777) soliciting comments on the proposed rule through September 18, 2017. In addition, Commander (dpb), First Coast Guard District published Public Notice 1–155 dated July 28, 2017.

The Monmouth County Highway Bridge, mile 4.0, across the Shrewsbury River at Sea Bright, New Jersey, has a vertical clearance of 15 feet at Mean High Water and 17 feet at Mean Low Water when the span is in the closed position. Vertical clearance is unlimited when the draw is open. Horizontal clearance is 75 feet. Waterway users include recreational vessels and a limited number of commercial vessels including tug/barge combinations.

The existing drawbridge regulation, 33 CFR 117.755, requires the draw of the Monmouth County Highway Bridge to open as follows:

The draw shall open on signal at all times; except that, from May 15 through September 30, on Saturday, Sunday and holidays, between 9 a.m. and 7 p.m., the draw need open only on the hour and half hour.

This regulation has been in effect since July 6, 2010. The owner of the bridge, the Monmouth County Board of Chosen Freeholders, requested a change to the drawbridge operating regulations given the increased volume of vehicular traffic crossing the bridge associated with the summer months. The increase of vehicular traffic has resulted in significant traffic congestion on either side of the bridge during peak travel hours. The owner of the bridge asserts traffic congestion will be relieved through reduction of required bridge openings for vessels.

Monmouth County also requested that from May 15 to September 30 the modified operating regulations presently encompassing Saturdays, Sundays, and holidays be expanded to include Fridays as well. Monmouth County posited that starting the modified weekend operating schedule on Friday will allow for more efficient

and economical operation of the bridge, given the volume of vehicular traffic crossing the bridge at the beginning of the weekend.

The NPRM published in July 2017, if made a Final Rule, would permanently change the operating hours to allow the Monmouth County Highway Bridge to open as follows: The draw shall open on signal at all times; except that, from May 15 through September 30, on Friday, Saturday, Sunday and holidays, between 9 a.m. and 7 p.m., the draw need only open on the hour.

In response to the comments received, follow-up meetings with Monmouth County officials, and further review of bridge logs and traffic counts, the Coast Guard now proposes to test an alternate schedule by adjusting the proposed rule to allow the draw to open as follows: The draw shall open on signal at all times; except that, from the Friday before Memorial Day through Labor Day, on Friday, Saturday, Sunday and holidays, between 9 a.m. and 7 p.m., the draw need only open on the hour.

Before advancing the proposed rule to a final rule, the Coast Guard supports testing an alternate schedule for the 2018 boating season in order to better assess safety concerns and further compare roadway traffic counts versus requests for bridge openings. Monmouth County plans to record traffic counts during the Memorial Day, July 4th, and Labor Day time periods as well as additional one-week periods in July and August. Bridge tenders will also collect boat traffic data. Data from this test and further public comments will best inform our final decision.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period.
