Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Maintenance, Preventive Maintenance, Rebuilding, and Alteration

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. The Information to be collected is necessary to insure the safety of the flying public. Documentation of maintenance repair actions record who, what, when, where and how of the task performed. All maintenance actions as well as documentation are required by regulation. This insures proper certification of personnel; proper tooling is utilized and accurate measures to insure safety. The FAA reviewed 54,237 form 337s from October 2016 to September 2017. Each 337 takes approximately .5 hours. The Federal Register Notice with a 60-day comment period soliciting comments on the following collection of information was published on March 28, 2018. No comments were received.

DATES: Written comments should be submitted by June 28, 2018.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to oira_submission@omb.eop.gov, or faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW, Washington, DC 20503.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for FAA’s performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB’s clearance of this information collection.

FOR FURTHER INFORMATION CONTACT: Barbara Hall at (940) 594–5913, or by email at: Barbara.L.Hall@faa.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120–0020.

Title: Preventive Maintenance, Rebuilding, and Alteration.

Form Numbers: Aircraft maintenance logbooks and form 337.

Type of Review: Renewal of an information collection.

Background: Title 14 CFR part 43 mandates information to be provided when an alteration or major repair is performed on an aircraft of United States registry. Submission of Form 337 is required for capture in the aircraft permanent records for current and future owners to substantiate to requirements of the regulations, prior to operation of the aircraft. Aircraft owners have the responsibility of documentation and submission of all maintenance records performed to their aircraft.

Respondents: Aircraft owners, certificated mechanics.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 30 minutes.

Estimated Total Annual Burden: Industry Annual burden 27,119 man hours.

Issued in Fort Worth, TX on May 18, 2018.

Barbara Hall.
FAA Information Collection Clearance Officer, Performance, Policy, and Records Management Branch, ASP—110.
