the successful awardees for grants. Additional instructions for post-award activities will be provided by email and in other post-award materials. Applicants that are approved for funding will also receive instructions on how to proceed with disbursement of the award.

2. Administrative and National Policy Requirements

The specific terms and conditions governing a CDRLF award will be established in the program guidelines for each initiative.

a. Grant Agreement: Each Participating Credit Union under this NOFO must enter into agreement with the NCUA before the NCUA will disburse the grant funds. The Agreement will include the terms and conditions of funding, including but not limited to the: (i) Award amount; (ii) grant award details; (iii) roles and responsibilities; (iv) accounting treatment; (v) signature pages; and (vi) reporting requirements.

b. Loan Agreement: Each Participating Credit Union under this NOFO must enter into agreement with the NCUA before the NCUA will disburse the award funds. The agreement documents include, for example, a promissory note, loan agreement, repayment schedule, and security agreement (if applicable). The Agreement will include the terms and conditions of funding, including but not limited to the: (i) Award amount; (ii) interest rate; (iii) repayment requirements; (iv) accounting treatment; (v) impact measures; and (vi) reporting requirements.

c. Failure to Sign Agreement: The NCUA, in its sole discretion, may rescind an award if the Applicant fails to sign and return the agreement or any other requested documentation, within the time specified by the NCUA.

d. Multiple Disbursements: The NCUA may determine, in its sole discretion, to fund a loan in multiple disbursements. In such cases, the process for disbursement will be specified by the NCUA in the Loan Agreement.

3. Reporting

a. Loans: The reporting requirements are more fully described in § 705.9 of the NCUA’s regulations. Annually, each Participating Credit Union will submit a report to the NCUA. The report will address the Participating Credit Union’s use of the loan funds; the impact of funding; and explanation of any failure to meet objectives for use of proceeds, outcome, or impact. The NCUA, in its sole discretion, may modify these requirements. However, such reporting requirements will be modified only after notice to affected credit unions.

Report Form: Applicable credit unions will be notified regarding the submission of the report form. A Participating Credit Union is responsible for timely and complete submission of the report. The NCUA will use such information to monitor each Participating Credit Union’s compliance with the requirements of its loan agreement and to assess the impact of the CDRLF loan.

b. Grants: All successful Applicants are responsible for the timely and complete submission of the post-grant award activities. This includes, but it is not limited to, signing the grant agreement, submitting a project status update, and completing a reimbursement request.

Successful Applicants must submit a reimbursement request in order to receive the awarded funds. The reimbursement requirements are specific to each initiative. In general, the reimbursement request will require evidence of expenses, project related documentation, a summary of project accomplishments and outcomes, and a certification form signed by a credit union official (e.g., CEO, manager, or Board Chairperson) authorized to request the reimbursement and make the certifications. The NCUA, in its sole discretion, may modify these requirements. In general, successful Applicants are required to submit the reimbursement request within the expiration date specified in the approval letter.

BILLING CODE 7710–12–P

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736.

Extension: Rule 17Ac2–2 and Form TA–2; SEC File No. 270–298, OMB Control No. 3235–0337

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 17Ac2–2 (17 CFR 240.17Ac2–2) and Form TA–2 under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval. Rule 17Ac2–2 and Form TA–2 require registered transfer agents to file an annual report of their business activities with the Commission. These reporting requirements are designed to ensure that all registered transfer agents are providing the Commission with sufficient information on an annual basis about the transfer agent community and to permit the Commission to effectively monitor business activities of transfer agents.

The amount of time needed to comply with the requirements of amended Rule 17Ac2–2 and Form TA–2 varies. Of the total 373 registered transfer agents, approximately 9.2% (or 34 registrants) would be required to complete only questions 1 through 3 and the signature section of amended Form TA–2, which the Commission estimates would take each registrant approximately 30 minutes, for a total burden of 17 hours (34 × .5 hours). Approximately 26.5% of registrants (or 99 registrants) would be required to answer questions 1 through 5, question 11 and the signature section, which the Commission estimates would take approximately 1 hour and 30 minutes, for a total of 148.5 hours (99 × 1.5 hours). Approximately 64.2% of the registrants (or 239 registrants) would be required to complete the entire Form TA–2, which the Commission estimates would take approximately 6 hours, for a total of 1,434 hours (239 × 6 hours). The aggregate annual burden on all 373 registered transfer agents is thus approximately 1,599.5 hours (17 hours + 148.5 hours + 1,434 hours) and the average annual burden per transfer agent is approximately 3.8 hours (1,434 ÷ 373).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
