The United States filed this lawsuit under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). The United States' complaint names J. Daniel Stevens, in his capacity as trustee of the Fifam Trust, as defendant. The complaint requests recovery of costs that the United States incurred responding to releases of hazardous substances at the North Salt Lake HazMat Site in Salt Lake City, Utah. Mr. Stevens, on behalf of the

Fifam Trust, agrees to sell the Site property and to pay 75% of the net proceeds to the EPA Hazardous Substance Superfund in reimbursement of the United States' response costs. The United States will pay \$302,950 to the EPA Hazardous Substance Superfund to resolve the alleged liability of the Department of Defense, the Defense Logistics Agency, and DLA Disposition Services. Under the consent decree, the United States agrees not to sue Mr. Stevens or the Fifam Trust under sections 106 or 107 of CERCLA regarding the Site, and Mr. Stevens and the Fifam Trust agree not to sue the United States with respect to the Site.
