(1) Surface area by nitrogen BET (Brunauer, Emmett, Teller) method, 50 to 260 m²/gram.

(2) Weight loss on heating at 950 °C for 7 minutes (predried for 1 hour at 125 °C), not more than 2 percent.

(3) Ash content, not more than 0.15 percent.

(4) Arsenic (total), not more than 3 milligrams per kilogram (mg/kg) (3 parts per million).

(5) Lead (total), not more than 10 mg/kg (10 parts per million).

(6) Mercury (total), not more than 1 mg/kg (1 part per million).

(7) Total sulfur, not more than 0.65 percent.

(8) Total polycyclic aromatic hydrocarbons (PAHs), not more than 0.5 mg/kg (500 parts per billion).

Removal of Cross References to Previously Removed Appendices and Subpart

AGENCY: Office of General Counsel, HUD.

ACTION: Final rule.

SUMMARY: This final rule corrects HUD's regulations by removing cross references to appendices and a subpart that were removed by earlier rulemakings. In 1995, HUD removed several appendices throughout HUD's regulations deemed unnecessary or obsolete. In 1996, HUD consolidated its hearing procedures for nondiscrimination and equal opportunity matters in a new CFR part and removed the subpart of another. Cross-references to the removed appendices and subpart were not removed, however. This final rule corrects HUD's regulations by removing cross references to these nonexistent appendices and subpart.

DATES: *Effective* July 9, 2018.

SUPPLEMENTARY INFORMATION:

I. Background

On September 11, 1995 (60 FR 47260), HUD published a final rule entitled, "Elimination of Obsolete Parts" which removed from 24 CFR several appendices deemed obsolete and unnecessary. HUD undertook the regulation consistent with the "Regulatory Reinvention Initiative," which required federal agencies to eliminate outdated regulations and modify others to reduce regulatory burden. Among the provisions removed were appendix A in 24 CFR part 1, appendices A and B in 24 CFR part 8, appendix A in 24 CFR part 16, and appendix A in 24 CFR part 40.

On October 4, 1996 (61 FR 52216), HUD published a final rule entitled, "Consolidated HUD Hearing Procedures for Civil Rights Matters," which revised

HUD's regulations by removing descriptions of nondiscrimination and equal opportunity hearing procedures from individual sections and consolidating those descriptions in a new part, 24 CFR part 180. As part of the 1996 final rule, HUD removed subpart E of 24 CFR part 8.

HUD has determined that while these 1995 and 1996 rules removed the above-mentioned appendices and subpart, cross references to these nonexistent appendices and subpart remain in title 24.

II. This Final Rule

This final rule removes cross references in title 24 to the nonexistent appendices and subpart. In 24 CFR part 16, however, removing the references to the nonexistent appendices requires that HUD revise § 16.3 to keep the meaning of the regulation the same. The deleted appendix in 24 CFR part 16 contained the address for Privacy Act inquiries, and this rule replaces the reference to the removed appendix with the current contact address for HUD's Privacy Act Officer. In removing 24 CFR part 40, appendix A, HUD decided to no longer provide a copy of the Uniform Federal Accessibility Standards text in its regulation, given that the information is publicly available and HUD's appendix would be outdated every time the United States Access Board updated the standards. HUD is not providing an updated cross-reference in 24 CFR part 40 but notes in this final rule that the public may access the most current Uniform Federal Accessibility Standards by visiting the website for the United States Access Board at www.access-board.gov.

III. Justification for Final Rulemaking

HUD generally publishes a rule for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking at 24 CFR part 10. Part 10 provides for exceptions to the general rule if the agency finds good cause to omit advance notice and public participation. The good cause requirement is satisfied when prior public procedure is "impracticable, unnecessary, or contrary to the public interest" (24 CFR 10.1; *see also* 5 U.S.C. 553(b)). HUD finds that public notice and comment are unnecessary for this rulemaking because this rule removes cross references to appendices and to a subpart which have already been removed by previous rulemaking, and, as such, this rule does not establish or affect substantive policy. This rule corrects HUD's regulations and eliminates confusion resulting from having cross references to appendices

and to a subpart that no longer exist. For these reasons, HUD has determined that it is unnecessary to delay the effectiveness of this rule to solicit prior public comment.

IV. Findings and Certification

Regulatory Flexibility Act

The Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*) generally requires an agency to conduct a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements, unless the agency certifies that the rule will not have a significant economic impact on a substantial number of small entities. Because HUD has determined that good cause exists to issue this rule without prior public comment, this rule is not subject to the requirement to publish an initial or final regulatory flexibility analysis under the RFA as part of such action.

Unfunded Mandates Reform

Section 202 of the Unfunded Mandates Reform Act of 1995 (UMRA)¹ requires that an agency prepare a budgetary impact statement before promulgating a rule that includes a Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year. If a budgetary impact statement is required, section 205 of UMRA also requires an agency to identify and consider a reasonable number of regulatory alternatives before promulgating a rule.² However, the UMRA applies only to rules for which an agency publishes a general notice of proposed rulemaking. As discussed above, HUD has determined, for good cause, that prior notice and public comment is not required on this rule and, therefore, the UMRA does not apply to this final rule.

Executive Order 13132, Federalism

Executive Order 13132 (entitled "Federalism") prohibits an agency from publishing any rule that has federalism implications if the rule either imposes substantial direct compliance costs on State and local governments and is not required by statute, or the rule preempts State law, unless the agency meets the consultation and funding requirements of section 6 of the Executive order. This rule will not have federalism implications and would not impose substantial direct compliance costs on State and local governments or preempt State law within the meaning of the Executive order.

¹ 2 U.S.C. 1532.

² 2 U.S.C. 1534.

Environmental Review

This final rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this final rule is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Department of the Air Force

32 CFR Part 806

[Docket ID: USAF–2017–HQ–0001]

RIN 0701–AA76

Air Force Freedom of Information Act Program

AGENCY: Department of the Air Force, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Air Force’s regulation concerning the Freedom of Information Act program. On February 6, 2018, the DoD published a revised FOIA program rule as a result of the FOIA Improvement Act of 2016. When the DoD FOIA program rule was revised, it included DoD component information and removed the requirement for component supplementary rules. The DoD now has one DoD-level rule for the FOIA program at 32 CFR part 286 that contains all the codified information required for the Department. Therefore, this part can be removed from the CFR.

DATES: This rule is effective on June 7, 2018.

FOR FURTHER INFORMATION CONTACT: Bao-Anh Trinh at 703–614–8500.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing the Air Force’s internal policies and procedures that are publically available on the Air Force’s website.

The Department of the Air Force’s internal guidance concerning the implementation of the FOIA within the Department of the Air Force will continue to be published in Air Force Manual 33–302 (available at http://static.e-publishing.af.mil/production/1/saf_cio_a6/publication/dodm5400.07_afman33-302/dodm5400.07_afman33-302.pdf).

This rule is one of 14 separate DoD FOIA rules. With the finalization of the

DoD-level FOIA rule at 32 CFR part 286, the Department is eliminating the need for this separate FOIA rule and reducing costs to the public as explained in the preamble of the DoD-level FOIA rule published at 83 FR 5196–5197.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review,” therefore, E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs” does not apply.
