**SUPPLEMENTARY INFORMATION:** Notice is hereby given that FHWA and other Federal agencies have taken final agency actions by issuing a Record of Decision (ROD) for the following highway project in the State of North Carolina: The Complete 540—Triangle Expressway Southeast Extension, a 27-mile long, multi-lane, fully access-controlled, new location toll road. The project is also known as State Transportation Improvement Program (STIP) Project Numbers R-2721, R-2828, and R-2829. The project would run generally in an east-west direction. On the west, the project begins at NC 55 Bypass in Apex; on the east, it ends at US 64/US 264 (I-495/I-87) in Knightdale. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (EIS) for the project, approved on December 21, 2017, and the FHWA Record of Decision (ROD) issued on June 6, 2018 approving the Complete 540 project, and in other documents in the FHWA administrative record. The Final EIS, ROD, and other documents in the FHWA administrative record file are available by contacting the FHWA or the NCDOT Turnpike Authority at the addresses provided above. The Final EIS and ROD along with referenced technical documents can be viewed and downloaded from the project website at <https://www.ncdot.gov/projects/Complete540/> or viewed at the Turnpike Authority office at 1 South Wilmington Street, Raleigh, North Carolina 27601.

The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Record of Decision (ROD) for the project approved on June 6, 2018, and in other documents in the FHWA administrative record. The ROD and other documents in the FHWA administrative record file are available by contacting the FHWA or

## DEPARTMENT OF TRANSPORTATION

### Federal Transit Administration

#### Fiscal Year 2017 Grants for Buses and Bus Facilities Infrastructure Investment Program

**AGENCY:** Federal Transit Administration (FTA), DOT.

**ACTION:** Notice; announcement of project selections. Fiscal year 2017 Grants for Buses and Bus Facilities Infrastructure Investment Program.

**SUMMARY:** The Federal Transit Administration (FTA) announces the selection of projects with \$226,473,000 of Fiscal Year (FY) 2017 and \$37,973,775 of FY 2018 appropriations for the Grants for Buses and Bus Facilities Infrastructure Investment Program (Bus and Bus Infrastructure Program).

**FOR FURTHER INFORMATION CONTACT:** Successful applicants should contact the appropriate FTA Regional Office for information regarding applying for the funds or program-specific information. A list of Regional Offices can be found at [www.fta.dot.gov](http://www.fta.dot.gov). Unsuccessful applicants may contact Mark G. Bathrick, Office of Program Management at (202) 366-9955, email: [Mark.Bathrick@dot.gov](mailto:Mark.Bathrick@dot.gov), to arrange a proposal debriefing within 30 days of

this announcement. A TDD is available at 1–800–877–8339 (TDD/FIRS).

**SUPPLEMENTARY INFORMATION:** On July 18, 2017, FTA published a Notice of Funding Opportunity (NOFO) announcing the availability of Federal funding for the Grants for Buses and Bus Facilities Infrastructure Investment Program as authorized by Federal transit law (49 U.S.C. 5339(b)). These program funds will provide financial assistance to states and eligible public agencies to replace, rehabilitate, purchase, or lease buses, vans, and related equipment, and capital projects to rehabilitate, purchase, construct, or lease bus-related facilities. In response to the NOFO, FTA received 453 project proposals from 53 States and territories totaling approximately \$2 billion in Federal funds, or nearly nine dollars requested for each dollar available, indicating significant demand for funding for buses and bus facility projects. Project proposals were evaluated based on each applicant’s responsiveness to the program evaluation criteria outlined in the NOFO.

FTA is funding 139 projects, as shown in Table 1, for a total of \$264,446,775. Recipients selected for competitive funding should work with their FTA Regional Office to submit a grant

application in FTA’s Transit Award Management System (TrAMs) for the projects identified in the attached table. Funds must be used consistent with the competitive proposal and for the eligible capital purposes established in the NOFO and described in the FTA Circular 9030.1E. Applicants with more than one selected project will receive a single allocation that may be used for any one or more of the selected projects.

In cases where the allocation amount is less than the proposer’s total requested amount, recipients are required to fund the scalable project option as described in the application. If the award amount does not correspond to the scalable option, for example due to a cap on the award amount, the recipient should work with the Regional Office to reduce scope or scale the project such that a complete phase or project is accomplished. Recipients are reminded that program requirements such as cost sharing or local match can be found in the NOFO. A discretionary project identification number has been assigned to each project for tracking purposes and must be used in the TrAMs application.

Selected projects are eligible to incur costs under pre-award authority no earlier than the date projects were

publicly announced, April 5, 2018. Pre-award authority does not guarantee that project expenses incurred prior to the award of a grant will be eligible for reimbursement, as eligibility for reimbursement is contingent upon other requirements, such as planning and environmental requirements, having been met. For more about FTA’s policy on pre-award authority, please see the FTA Fiscal Year Apportionments, Allocations, and Program Information and Interim Guidance found in 82 *FR* 6692 (January 19, 2017). Post-award reporting requirements include submission of the Federal Financial Report and Milestone progress reports in TrAMs as appropriate (see FTA.C.5010.1E and C9030.1E). Recipients must comply with all applicable Federal statutes, regulations, executive orders, FTA circulars, and other Federal requirements in carrying out the project supported by the FTA grant. FTA emphasizes that recipients must follow all third-party procurement guidance, as described in FTA.C.4220.1F. Funds allocated in this announcement must be obligated in a grant by September 30, 2021.

*Acting Administrator.*

**BILLING CODE P****DEPARTMENT OF TRANSPORTATION****Federal Transit Administration****Fiscal Year 2018 Competitive Funding Opportunity; Grants for Buses and Bus Facilities Infrastructure Investment Program****AGENCY:** Federal Transit Administration (FTA), DOT.**ACTION:** Notice of funding opportunity (NOFO).

**SUMMARY:** The Federal Transit Administration (FTA) announces the opportunity to apply for approximately \$366.3 million in fiscal year (FY) 2018 funds under the Grants for Buses and Bus Facilities Infrastructure Investment Program (CFDA #20.526). As required

by federal transit law and subject to funding availability, funds will be awarded competitively to assist in the financing of capital projects to replace, rehabilitate, purchase or lease buses and related equipment, and to rehabilitate, purchase, construct or lease bus-related facilities. Projects may include costs incidental to the acquisition of buses or to the construction of facilities, such as the costs of related workforce development and training activities, and project administration expenses. FTA may award additional funds if they are made available to the program prior to the announcement of project selections.

**DATES:** Complete proposals must be submitted electronically through the *GRANTS.GOV* “APPLY” function by 11:59 p.m. Eastern Time on August 6, 2018. Prospective applicants should initiate the process by promptly registering on the *GRANTS.GOV*

website to ensure completion of the application process before the submission deadline. Instructions for applying can be found on FTA’s website at <http://transit.dot.gov/howtoapply> and in the “FIND” module of *GRANTS.GOV*. The *GRANTS.GOV* funding opportunity ID is FTA–2018–005–TPM. Mail and fax submissions will not be accepted.
