DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Ocean Exploration Advisory Board (OEAB): the OEAB Meeting Is Scheduled for January 30–31, 2018 in Seattle, WA

AGENCY: Office of Ocean Exploration and Research (OER), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice of public meeting.

SUMMARY: This notice sets forth the schedule and proposed agenda of a forthcoming meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on Federal ocean exploration programs, with a particular emphasis on National Oceanic and Atmospheric Administration (NOAA) Office of Ocean Exploration and Research (OER) activities; discuss nontraditional ocean exploration platforms; discuss National Ocean Exploration Forums; and conduct its annual review of the OER federal funding opportunity process; and other matters as described in the agenda found on the OEAB website at http://oeab.noaa.gov.

DATES: The announced meeting is scheduled for Tuesday, January 30, 2018 from 9:00 a.m. to 5:00 p.m. PST and Wednesday, January 31, 2018 from 9:00 to 5:00 p.m. PST.

ADDRESSES: The meeting will be held at: School of Oceanography, University of Washington, 1503 NE Boat Street, Seattle, WA 98105.

Status: The meeting will be open to the public with a 15-minute public comment period on Tuesday, January 30, 2018 from 11:45 a.m. to 12:00 p.m. PST (please check the final agenda on the website to confirm the time). The public may listen to the meeting and provide comments during the public comment period via teleconference.

Dial-in information may be found on the Ocean Exploration Advisory Board (OEAB) website: oeab.noaa.gov.

Special Accommodations: These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to David McKinnie, Designated Federal Officer (see below) by January 27, 2018.

 FOR FURTHER INFORMATION CONTACT: Mr. David McKinnie, Designated Federal Officer, Ocean Exploration Advisory Board, National Oceanic and Atmospheric Administration, 7600 Sand Point Way, NE, Seattle, WA 98115, (206) 526–8950.

SUPPLEMENTAL INFORMATION: NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration—from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration—a network of stakeholders and partnerships advancing national priorities for ocean exploration.

Dated: January 11, 2018.

David Holst,
Chief Financial Officer, Office of Oceanic and Atmospheric Research, National Oceanic and Atmospheric Administration.

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

Purpose of Program: The Research Networks Focused on Critical Problems of Education Policy and Practice Program is designed to direct resources and attention to education problems or issues that are a high priority for the Nation, and to create a structure and process for researchers who are working on these issues to share ideas, build new knowledge, and strengthen their research and dissemination capacity.

Under this announcement, the Institute of Education Sciences (Institute) intends to award one grant under this program to fund the Lead of a CTE Network, which is to carry out the requirements under section 114(d)(4) of the Carl D. Perkins Career and Technical Education Act to establish a national research center to carry out scientifically based research on career and technical education programs. The CTE Network will conduct research on CTE through projects funded by other Institute grant competitions. The goal of the CTE Network is to support and expand the causal research base on CTE at the secondary and/or postsecondary level specifically through research on whether and how CTE practices, programs, and policies affect student education outcomes. The Network Lead will be responsible for: (1) CTE Network administration and coordination, including convening meetings and coordinating supplemental research activities among Network members; (2) conducting research activities including an evaluability assessment of CTE programs and a final synthesis of the CTE Network’s major findings and lessons; (3) providing research training to increase the capacity of the field and to create a pipeline of new CTE researchers; and (4) developing and hosting a CTE Network website and conducting other leadership and dissemination activities to share the findings and products of the CTE Network with policymakers, practitioners, and other researchers.
