**DATES:** Applicable June 26, 2018.

## SUPPLEMENTARY INFORMATION:

### Background

On February 26, 2009, Commerce published in the **Federal Register** the antidumping duty order on small diameter graphite electrodes from China.<sup>1</sup> On February 1, 2018, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on small diameter graphite electrodes from China for the period of review February 1, 2017, through January 31, 2018.<sup>2</sup>

On February 28, 2018, Tokai Carbon GE LLC (the petitioner)<sup>3</sup> requested an administrative review of the order for 192 producers and/or exporters of the subject merchandise, including Fushun Jinly Petrochemical Carbon Co., Ltd.<sup>4</sup> In addition, on February 28, 2018, producer and exporter Fushun Jinly Petrochemical Carbon Co., Ltd. requested a review of itself.<sup>5</sup> On April 16, 2018, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on small diameter graphite electrodes from China with respect to 193 companies.<sup>6</sup> On May 4, 2018, the petitioner withdrew its administrative review request for 191 out of the 192 companies for which it requested a review.<sup>7</sup> See the *Initiation Notice* for the full list of companies for which Commerce initiated a review.

<sup>1</sup> See *Antidumping Duty Order: Small Diameter Graphite Electrodes from the People's Republic of China*, 74 FR 8775 (February 26, 2009).

<sup>2</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 83 FR 4639 (February 1, 2018).

<sup>3</sup> Formerly, SGL Carbon LLC and Superior Graphite Co.

<sup>4</sup> See the petitioner's submission, "Small Diameter Graphite Electrodes from the People's Republic of China—Request for Initiation of Antidumping Administrative Review," dated February 28, 2018. The petitioner's review request included Fushun Jinli Petrochemical Carbon Co., Ltd. (emphasis added).

<sup>5</sup> See Fushun Jinly Petrochemical Carbon Co., Ltd.'s, "Small Diameter Graphite Electrodes from the People's Republic of China: Request for an Administrative Review," dated February 28, 2018. For purposes of this review, we are treating Fushun Jinli Petrochemical Carbon Co., Ltd. and Fushun Jinly Petrochemical Carbon Co., Ltd. as the same respondent company.

<sup>6</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 83 FR 16298 (April 16, 2018) (*Initiation Notice*).

<sup>7</sup> See the petitioner's submission, "Small Diameter Graphite Electrodes from the People's Republic of China—Petitioner's Withdrawal of Certain Requests for Review," dated May 4, 2018. The petitioner withdrew its review request with respect to all companies except for Fushun Jinli Petrochemical Carbon Co., Ltd.

### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, the petitioner timely withdrew its review request, in part, by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order for the companies for which the petitioner withdrew its review request. Therefore, we are rescinding the administrative review of the antidumping duty order on small diameter graphite electrodes from China for the period February 1, 2017, through January 31, 2018, with respect to the 191 companies for which all review requests were withdrawn. The review will continue only with respect to the remaining company Fushun Jinly Petrochemical Carbon Co., Ltd, aka Fushun Jinli Petrochemical Carbon Co., Ltd.<sup>8</sup>

### Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed on the subject merchandise at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

### Notification to Importers
