

work or within 90 days of the expiration of the IHA, whichever comes first. This report shall detail the monitoring protocol, summarize the data recorded during monitoring, and estimate the number of marine mammals that may have been harassed.

(b) If comments are received from NMFS Office of Protected Resources on the draft report, a final report shall be submitted to NMFS within 30 days thereafter. If no comments are received from NMFS, the draft report will be considered to be the final report.

(c) In the unanticipated event that the construction activities clearly cause the take of a marine mammal in a manner prohibited by this Authorization (if issued), such as an injury, serious injury, or mortality, WSDOT shall immediately cease all operations and immediately report the incident to the Office of Protected Resources, NMFS, and the West Coast Regional Stranding Coordinators. The report must include the following information:

(i) Time, date, and location (latitude/longitude) of the incident;

(ii) Description of the incident;

(iii) Status of all sound source use in the 24 hours preceding the incident;

(iv) Environmental conditions (*e.g.*, wind speed and direction, sea state, cloud cover, visibility, and water depth);

(v) Description of marine mammal observations in the 24 hours preceding the incident;

(vi) Species identification or description of the animal(s) involved;

(vii) Fate of the animal(s); and

(viii) Photographs or video footage of the animal (if equipment is available).

Activities shall not resume until NMFS is able to review the circumstances of the prohibited take. NMFS shall work with WSDOT to determine what is necessary to minimize the likelihood of further prohibited take and ensure MMPA compliance. WSDOT may not resume their activities until notified by NMFS via letter, email, or telephone.

(d) In the event that WSDOT discovers an injured or dead marine mammal, and the lead PSO determines that the cause of the injury or death is unknown and the death is relatively recent (*i.e.*, in less than a moderate state of decomposition as described in the next paragraph), WSDOT will immediately report the incident to the Office of Protected Resources, NMFS, and the West Coast Regional Stranding Coordinators. The report must include the same information identified above. Activities may continue while NMFS reviews the circumstances of the incident. NMFS will work with WSDOT

to determine whether modifications in the activities are appropriate.

(e) In the event that WSDOT discovers an injured or dead marine mammal, and the lead PSO determines that the injury or death is not associated with or related to the activities authorized in the IHA (*e.g.*, previously wounded animal, carcass with moderate to advanced decomposition, or scavenger damage), WSDOT shall report the incident to the Office of Protected Resources, NMFS, and the West Coast Regional Stranding Coordinators, within 24 hours of the discovery. WSDOT shall provide photographs or video footage (if available) or other documentation of the stranded animal sighting to NMFS and the Marine Mammal Stranding Network. WSDOT can continue its operations under such a case.

7. This Authorization may be modified, suspended or withdrawn if the holder fails to abide by the conditions prescribed herein or if NMFS determines the authorized taking is having more than a negligible impact on the species or stock of affected marine mammals.

Request for Public Comments

We request comment on our analyses, the proposed authorization, and any other aspect of this Notice of Proposed IHA for the remaining work associated with the Mukilteo Multimodal Project. We also request comment on the potential for renewal of this proposed IHA as described in the paragraph below. Please include with your comments any supporting data or literature citations to help inform our final decision on the request for MMPA authorization.

On a case-by-case basis, NMFS may issue a second one-year IHA without additional notice when (1) another year of identical or nearly identical activities as described in the Specified Activities section is planned or (2) the activities would not be completed by the time the IHA expires and a second IHA would allow for completion of the activities beyond that described in the Dates and Duration section, provided all of the following conditions are met:

(a) A request for renewal is received no later than 60 days prior to expiration of the current IHA.

(b) The request for renewal must include the following:

(i) An explanation that the activities to be conducted beyond the initial dates either are identical to the previously analyzed activities or include changes so minor (*e.g.*, reduction in pile size) that the changes do not affect the previous analyses, take estimates, or

mitigation and monitoring requirements; and

(ii) A preliminary monitoring report showing the results of the required monitoring to date and an explanation showing that the monitoring results do not indicate impacts of a scale or nature not previously analyzed or authorized.

(c) Upon review of the request for renewal, the status of the affected species or stocks, and any other pertinent information, NMFS determines that there are no more than minor changes in the activities, the mitigation and monitoring measures remain the same and appropriate, and the original findings remain valid.

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Innovation Board; Notice of Federal Advisory Committee Meeting

AGENCY: Chief Management Officer, Department of Defense.

ACTION: Notice of federal advisory committee meeting.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that the following Federal Advisory Committee meeting of the Defense Innovation Board (DIB) will take place.

DATES: Open to the public Wednesday, July 11, 2018 from 2:30 p.m. to 5:00 p.m.

ADDRESSES: The meeting will be held at the Defense Innovation Unit Experimental (DIUx) Auditorium, 230 RT Jones Road, Mountain View, CA 94043. Additionally, the meeting will be live streamed for those who are unable to physically attend the meeting.

FOR FURTHER INFORMATION CONTACT:

Michael L. Gable, (571) 372-0933 (Voice), (Facsimile), michael.l.gable.civ@mail.mil (Email). Mailing address is Defense Innovation Board, 9010 Defense Pentagon, Room 5E572, Washington, DC 20301-9010. Website: <http://innovation.defense.gov>. The most up-to-date changes to the meeting agenda can be found on the website.

SUPPLEMENTARY INFORMATION: Due to circumstances beyond the control of the Department of Defense (DoD) and the Designated Federal Officer, the Defense

Innovation Board was unable to provide public notification required by 41 CFR 102–3.150(a) concerning the meeting on July 11, 2018, of the Defense Innovation Board. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102–3.150(b), waives the 15-calendar day notification requirement. This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR 102–3.140 and 102–3.150.

Purpose of the Meeting: The mission of the DIB is to examine and provide the Secretary of Defense and the Deputy Secretary of Defense independent advice and recommendations on innovative means to address future challenges in terms of integrated change to organizational structure and processes, business and functional concepts, and technology applications. The DIB focuses on (a) technology and capabilities, (b) practices and operations, and (c) people and culture.

Agenda: During the meeting, the DIB will deliberate on building innovation capacity among allies and partners, metrics for software development and acquisition programs from the Software Acquisition and Practices (SWAP) study, and development and deployment of emerging technologies within DoD. Mr. Joshua Marcuse, in his role as the Innovation Advisor to the Chief Management Officer, will brief the DIB on DoD's latest implementation activities related to DIB recommendations. Members of the public will have an opportunity to provide oral comments to the DIB regarding the DIB's deliberations and potential recommendations. See below for additional information on how to sign up to provide public comments.

Meeting Accessibility: Pursuant to Federal statutes and regulations (the FACA, the Sunshine Act, and 41 CFR 102–3.140 through 102–3.165) and the availability of space, the meeting is open to the public from 2:30 p.m. to 5:00 p.m. Seating is on a first-come basis. Members of the public wishing to attend the meeting or wanting to receive a link to the live stream webcast should register on the DIB website, <http://innovation.defense.gov>, no later than July 6, 2018. Members of the media should RSVP to Lieutenant Colonel Mike Andrews, U.S. Air Force, Office of the Secretary of Defense Public Affairs, at michael.r.andrews16.mil@mail.mil.

Written Statements: Pursuant to section 10(a)(3) of the FACA and 41 CFR 102–3.140, the public or interested

organizations may submit written comments to the DIB about its approved agenda pertaining to this meeting or at any time regarding the DIB's mission. Individuals submitting a written statement must submit their statement to the DFO (see **FOR FURTHER INFORMATION CONTACT** section for contact information). Written comments that do not pertain to a scheduled meeting may be submitted at any time. However, if individual comments pertain to a specific topic being discussed at the planned meeting, then such comments must be received in writing not later than July 6, 2018. The DFO will compile all written submissions and provide them to DIB members for consideration.

Oral Presentations: Individuals wishing to make an oral statement to the DIB at the public meeting may be permitted to speak for up to two minutes. Anyone wishing to speak to the DIB should submit a request by email at osd.innovation@mail.mil not later than July 6, 2018 for planning. Requests for oral comments should include a copy or summary of planned remarks for archival purposes. Individuals may also be permitted to submit a comment request at the public meeting; however, depending on the number of individuals requesting to speak, the schedule may limit participation. Webcast attendees will be provided instructions with the live stream link if they wish to submit comments during the open meeting.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The SFEC program is authorized under title IV, part E of the Elementary and Secondary Education Act of 1965, as amended (ESEA). The purpose of the SFEC program is to provide financial support to organizations that provide technical assistance and training to State educational agencies (SEAs) and local educational agencies (LEAs) in the implementation and enhancement of systemic and effective family engagement policies, programs, and activities that lead to improvements in student development and academic achievement. The Secretary is authorized to award grants to statewide organizations (or consortia of such organizations) in partnership with an SEA to establish SFECs that (1) carry out parent education and family engagement in education programs, and (2) provide comprehensive training and technical assistance to SEAs, LEAs, schools identified by SEAs and LEAs, organizations that support family-school partnerships, and other such programs.

Background: The SFEC program seeks to promote high-impact cradle-to-career family, school, and community engagement by funding centers that build the capacity of all stakeholders—including families, SEAs, LEAs, school-level staff and personnel, and community based organizations—to engage in effective partnerships that support student achievement and school
