AGENCY: Farm Credit Administration.

ACTION: Final rule; correction.

SUMMARY: The Farm Credit Administration (FCA or our) is correcting a final rule that appeared in the Federal Register on June 12, 2019 that amends our regulations governing investments of both Farm Credit System (FCS) banks and associations. The final rule strengthens eligibility criteria for investments that FCS banks purchase and hold, and implements section 939A of the Dodd-Frank Wall Street Reform and Consumer Protection Act by removing references to and requirements for credit ratings and substituting other appropriate standards of creditworthiness. The final rule revises FCA’s regulatory approach to investments by FCS associations by limiting the type and amount of investments that an association may hold for risk management purposes.

DATES: This correction shall become effective on January 1, 2019.
