Bureau of Land Management

Temporary Closure and Temporary Restrictions of Specific Uses on Public Lands for the 2018 Burning Man Event (Permitted Event), Pershing County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of temporary closure and restrictions.

SUMMARY: Under the authority of the Federal Land Policy and Management Act of 1976, as amended (FLPMA), the Bureau of Land Management (BLM) Winnemucca District, Black Rock Field Office, will implement a temporary closure and temporary restrictions to protect public safety and resources on public lands within and adjacent to the Burning Man event on the Black Rock Desert playa.

DATES: The temporary closure and temporary restrictions will be in effect from July 29, 2018, to October 1, 2018.

FOR FURTHER INFORMATION CONTACT: Mark E. Hall, Field Manager, BLM Black Rock Field Office, Winnemucca District, 5100 E Winnemucca Blvd., Winnemucca, NV 89445–2921; telephone: 775–623–1500; email: mehall@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal hours.

SUPPLEMENTARY INFORMATION: The temporary closure and temporary restrictions affect public lands within and adjacent to the Burning Man event permitted on the Black Rock Desert playa within the Black Rock Desert-High Rock Canyon Emigrant Trails National Conservation Area in Pershing County, Nevada. The temporary closure of public lands will be conducted in two phases in order to limit impacts on the general public outside of the Burning Man event. Phase 1 will encompass a smaller temporary closure area during the building and tear-down of Black Rock City and Phase 2 will encompass the larger, full temporary closure area during the event itself. Phase 2 includes all of the Phase 1 area. The Phase 2 temporary closure is the same size as the temporary closure area for the Burning Man event in previous years.

The legal description of the affected public lands in the temporary public closure area of both stages is Mount Diablo Meridian, Nevada:

Phase 1, being the smaller area of 9,715 acres, will be effective for 22 days before the main event from 12:01 a.m. Sunday, July 29, 2018, until 6 a.m. Monday, August 20, 2018. Phase 1 resumes for 23 days following the event at 6 a.m. Saturday, September 8, 2018, through 12:01 a.m. Monday, October 1, 2018.
The temporary closure and restrictions are necessary to provide a safe environment for the staffs/volunteers, paid participants and members of the public visiting the Black Rock Desert, and to protect public land resources by addressing law enforcement and public safety concerns associated with the event. The temporary closure and temporary restrictions are also necessary to enable BLM law enforcement personnel to provide for public safety and to protect the public lands as well as to support and assist State and local agencies with enforcement of existing laws. The permitted event takes place within Pershing County, Nevada, a rural county with a small population and a small Sheriff’s Department. Key BLM staff members—including the authorizing officer for the 2018 event, the event incident commander, and the law enforcement operations chief—met with the Pershing County Sheriff and his planning team to coordinate and plan the 2018 event. The Sheriff’s input and comments are incorporated in this temporary closure order.

The event attracts up to 70,000 paid participants to a remote, rural area, located more than 90 miles from urban infrastructure and support, including such services as public safety, emergency medical delivery, transportation, and communication. During the event, Black Rock City, the temporary city associated with the event, becomes one of the largest population areas in Nevada. A temporary closure and restrictions order, under the authority of 43 CFR 8364.1, is appropriate for a single event. The temporary closure and restrictions are specifically tailored to the time frame that is necessary to provide a safe environment for the public and for participants at the Burning Man event and to protect public land resources while avoiding imposing restrictions that may not be necessary in the area during the remainder of the year.

The BLM will post copies of the temporary closure, temporary restrictions, and an associated map in kiosks at access points to the Black Rock Desert playa as well as at the Gerlach Post Office, Bruno’s Restaurant, Empire Store, Black Rock City offices, Friends of Black Rock-High Rock offices, the BLM-Nevada Black Rock Station near Gerlach, and the BLM-California Applegate Field Office. The BLM will also make the materials available on the BLM external web page at: http://www.blm.gov.

In addition to the Nevada Collateral Forfeiture and Bail Schedule as authorized by the United States District Court, District of Nevada and under the authority of Section 303(a) of PLPMA, 43 CFR 8360.0–7 and 43 CFR 8364.1, the BLM will enforce a temporary public closure and the following temporary restrictions will apply within and adjacent to the Burning Man event on the Black Rock Desert playa from July 29, 2018, through October 1, 2018:

### Temporary Restrictions

#### (a) Environmental Resource Management and Protection

1. No person may deface, disturb, remove or destroy any natural object.

2. **Fires/Campfires:** The ignition of fires on the surface of the Black Rock Desert playa without a burn blanket or burn pan is prohibited. Campfires may only be burned in containers that are sturdily elevated above the playa surface and in a manner that does not pose a risk of fire debris falling onto the playa surface. Plastic and nonflammable materials may not be burned in campfires. The ignition of fires other than a campfire is prohibited. This restriction does not apply to events sanctioned and regulated as art burns by the event organizer.

3. **Fireworks:** The use, sale or possession of personal fireworks is prohibited except for uses of fireworks approved by the permit holder and used as part of a Burning Man sanctioned art burn event.

4. **Grey and Black Water Discharge:** The discharge and dumping of grey water onto the playa surface is prohibited. Grey water is defined as water that has been used for cooking.
