Special Local Regulations

In accordance with § 100.901, entry into, transiting, or anchoring within these regulated areas is prohibited unless authorized by the Coast Guard patrol commander (PATCOM). The PATCOM may restrict vessel operation within the regulated area to vessels having particular operating characteristics.

Vessels permitted to enter this regulated area must operate at a no-wake speed and in a manner that will not endanger race participants or any other craft.

The PATCOM may direct the anchoring, mooring, or movement of any vessel within this regulated area. Vessels so signaled shall stop and shall comply with the orders of the PATCOM. Failure to do so may result in expulsion from the area, a Notice of Violation for failure to comply, or both.

If it is deemed necessary for the protection of life and property, the PATCOM may terminate the marine event or the operation of any vessel within the regulated area.

In accordance with the general regulations in § 100.35 of this part, the Coast Guard will patrol the regatta area under the direction of a designated Coast Guard Patrol Commander (PATCOM). The PATCOM may be contacted on Channel 16 (156.8 MHz) by the call sign "Coast Guard Patrol Commander."

Under the provisions of 33 CFR 100.928, vessels transiting within the regulated area shall travel at a no-wake speed and remain vigilant for event participants and safety craft. This document is issued under authority of 33 CFR 100.35 and 5 U.S.C. 552(a). If the Captain of the Port determines that any of these special local regulations need not be enforced for the full duration stated in this document, he may suspend such enforcement and notify the public of the suspension via a Broadcast Notice to Mariners.
