

SUPPLEMENTARY INFORMATION:

Supporting documents which explain in detail the information that the EPA will be collecting are available in the public docket for this ICR. The docket can be viewed online at www.regulations.gov or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW, Washington, DC. The telephone number for the Docket Center is 202-566-1744. For additional information about EPA's public docket, visit <http://www.epa.gov/dockets>.

Pursuant to section 3506(c)(2)(A) of the PRA, the EPA is soliciting comments and information to enable it to: (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; (ii) evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (iii) enhance the quality, utility, and clarity of the information to be collected; and (iv) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval. At that time, the EPA will issue another **Federal Register** notice to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB.

Abstract: The affected entities are subject to the General Provisions of the NESHAP at 40 CFR part 63, subpart A, and any changes, or additions to the General Provisions specified at 40 CFR part 63, subpart EEE. Hazardous waste combustors include: Hazardous waste incinerators, hazardous waste cement kilns, hazardous waste lightweight aggregate kilns, hazardous waste solid fuel boilers, hazardous waste liquid fuel boilers, and hazardous waste hydrochloric acid production furnaces. Owners or operators of the affected facilities must submit a one-time-only report of any physical or operational changes, notification of exceedances, notification of performance test and continuous monitoring system evaluation, notification of intent to comply, notification of compliance, notification if the owner or operator elects to comply with alternative

requirements, initial performance tests, and periodic reports and results.

Form numbers: None.

Respondents/affected entities:

Business or other for-profit as well as State, Local, or Tribal governments.

Respondent's obligation to respond:

Mandatory (40 CFR part 63, subpart EEE).

Estimated number of respondents: 192.

Frequency of response: On occasion.

Total estimated burden: 142,381 hours per year. Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$19,945,848 (per year), includes \$15,893,404 annualized labor and \$4,052,444 annualized capital or operation & maintenance costs.

Changes in estimates: The burden hours are likely to stay substantially the same.

Dated: June 19, 2018.

Barnes Johnson,

Director, Office of Resource Conservation and Recovery.

BILLING CODE 6705-01-P

FEDERAL MARITIME COMMISSION

[DOCKET NO. 18-04]

Falcone Global Solutions, LLC v. Maurice Ward Networks, Ltd. d/b/a Maurice Ward Group; Maurice Ward & Co., BV.; and Maurice Ward & Co. S.R.O.; Notice of Filing of Complaint and Assignment

Notice is given that a complaint has been filed with the Federal Maritime Commission (Commission) by Falcone Global Solutions, LLC, hereinafter "Complainant," against Maurice Ward Networks, Ltd. d/b/a Maurice Ward Group; Maurice Ward & Co., BV.; and Maurice Ward & Co. S.R.O., hereinafter "Respondents." Complainant states that it is a licensed non-vessel operating common carrier (NVOCC) operating in Atlanta, Georgia. Complainant states that Respondents are foreign limited liability companies that ". . . [provide] global freight forwarding, warehousing, logistics, and custom clearance services for [their] customers". Complainant asserts that Maurice Ward & Co. S.R.O. is an FMC registered foreign-based unlicensed NVOCC.

Complainant claims that the Respondents ". . . [acted] as a common carrier as defined in 46 U.S.C. 40102(6)." Complainant asserts this action arises from ". . . Respondents' unlawful withholding of 87 containers of Complainant's cargo in an attempt to extort Complainant into paying invalid invoices with inaccurate fees and charges that were disputed by Complainant."

Complainant specifically alleges that Respondents' actions violated the Shipping Act as they:

a. “. . . failed to establish, observe and enforce just and reasonable regulations and practices related to or connected with receiving, handling, storing and delivering [Complainant's] consigned cargo, in violation of 46 U.S.C. 41102(c)”;

b. “. . . imposed and attempted to collect improper fees and charges not contained in a service agreement between the parties or published tariff, in violation of 46 U.S.C. 41104(2)”;

c. “. . . retaliated against [Complainant] by resorting to unfair and unjustly discriminatory methods by withholding release of 87 containers after Falcone disputed the inaccurate fees and charges on Respondents' invoices, in violation of 46 U.S.C. 41104(3)”;

d. “. . . engaged in unfair practices with respect to rates or charges under its tariff by invoicing [Complainant] for inaccurate and double-charged fees, in violation of 46 U.S.C. 41104(4)”;

e. “. . . unreasonably refused to deal or negotiate in good faith with [Complainant] in resolving the disputed invoices, and instead unlawfully withheld the 87 containers, in violation of 46 U.S.C. 41104(10).”

Complainant seeks reparations in the amount of \$798,300 and other relief. The full text of the complaint can be found in the Commission's Electronic Reading Room at www.fmc.gov/18-04/.

This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding officer in this proceeding shall be issued by June 27, 2019, and the final decision of the Commission shall be issued by December 10, 2019.

Rachel E. Dickon,

Secretary.

BILLING CODE 6731-AA-P

FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB

AGENCY: Board of Governors of the Federal Reserve System.

SUMMARY: The Board of Governors of the Federal Reserve System (Board) is adopting a proposal to extend for three years, with revision, the mandatory Banking Organization Systemic Risk Report (FR Y-15; OMB No. 7100-0352). The revisions are effective as of the June 30, 2018, report date.

FOR FURTHER INFORMATION CONTACT:

Federal Reserve Board Clearance Officer—Nuha Elmaghrabi—Office of the Chief Data Officer, Board of Governors of the Federal Reserve System, Washington, DC 20551, (202) 452-3829. Telecommunications Device for the Deaf (TDD) users may contact (202) 263-4869, Board of Governors of the Federal Reserve System, Washington, DC 20551.

OMB Desk Officer—Shagufta Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395-6974.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Board may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Report title: Banking Organization Systemic Risk Report.

Agency form number: FR Y-15.

OMB control number: 7100-0352.

Effective date: June 30, 2018.

Frequency: Quarterly.

Respondents: U.S. bank holding companies (BHCs), covered savings and loan holding companies (SLHCs), and U.S. intermediate holding companies (IHCs) of foreign banking organizations with \$50 billion or more of total consolidated assets, and any BHC designated as a global systemically important bank holding company (GSIB) that does not otherwise meet the consolidated assets threshold for BHCs.

Estimated number of respondents: 41.

Estimated average hours per response: 401 hours.

Estimated annual burden hours: 65,764 hours.

General description of report: The FR Y-15 quarterly report collects systemic risk data from U.S. bank holding companies (BHCs), covered savings and loan holding companies (SLHCs),¹ and U.S. intermediate holding companies (IHCs) with total consolidated assets of \$50 billion or more, and any BHC identified as a global systemically important banking organization (GSIB) based on its method 1 score calculated as of December 31 of the previous calendar year.² The Board uses the FR Y-15 data to monitor, on an ongoing basis, the systemic risk profile of institutions that are subject to enhanced prudential standards under section 165 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act).³ In addition, the FR Y-15 is used to (1) facilitate the implementation of the GSIB surcharge rule,⁴ (2) identify other institutions that may present significant systemic risk, and (3) analyze the systemic risk implications of proposed mergers and acquisitions.

Legal authorization and confidentiality: The mandatory FR Y-15 is authorized by sections 163 and 165 of the Dodd-Frank Act (12 U.S.C. 5463 and 5365), the International Banking Act (12 U.S.C. 3106 and 3108), the Bank Holding Company Act (12 U.S.C. 1844), and the Home Owners' Loan Act (12 U.S.C. 1467a).

Most of the data collected on the FR Y-15 is made public unless a specific request for confidentiality is submitted by the reporting entity, either on the FR Y-15 or on the form from which the data item is obtained.⁵ Such information will be accorded confidential treatment under Exemption 4 of the Freedom of Information Act (FOIA) (5 U.S.C. 552(b)(4)) if the submitter substantiates its assertion that disclosure would likely cause substantial competitive harm. In addition, items 1 through 4 of Schedule G of the FR Y-15, which contain granular information regarding the

¹ Covered SLHCs are those which are not substantially engaged in insurance or commercial activities. See 12 CFR 217.2.

² See 12 CFR 217.402.

³ 12 U.S.C. 5365.

⁴ A firm that is identified as a GSIB is required to hold additional capital to increase its resiliency in light of the greater threat it poses to the financial stability of the United States. The Board's rule on the GSIB surcharge establishes the criteria for identifying a GSIB and the methods that those firms use to calculate a risk-based capital surcharge, which is calibrated to each firm's overall systemic risk. See 81 FR 90952 (December 16, 2016).

⁵ A number of the items in the FR Y-15 are retrieved from the FR Y-9C, and certain items may be retrieved from the FFIEC 101 and FFIEC 009. Confidential treatment will also extend to any automatically-calculated items on the FR Y-15 that have been derived from confidential data items and that, if released, would reveal the underlying confidential data.
