SUPPLEMENTARY INFORMATION:

I. Background and Purpose

We are announcing a public meeting to receive comments regarding the potential revision of the rule titled “Regulated Navigation Area; Savannah River, Georgia” that was published in the **Federal Register** on September 10, 2007 (72 FR 51555). That rule established a regulated navigation area around the Southern LNG facility on the Savannah River. Since the previous rule has been published, there have been changes both to the facility layout and to the types of vessels that make calls to the facility. The purpose of this public meeting is to determine the need to revise the regulated navigation area to address changes at the facility. We have received multiple requests and have concluded that a public meeting would aid in determining whether to propose a rulemaking. Therefore, we are publishing this notice.

You may view the current rule, 33 CFR 165.756, by going to <http://www.ecfr.gov>. Once there, click on “simple search”, insert “33” in the title number search box and “165.756” in the “search for” search box and click “submit search”. You may view comments submitted thus far by going to <http://www.regulations.gov>. Once there, insert “USCG–2018–0648” in the “Keyword” box and click “Search”.

We encourage you to participate by submitting comments either orally at the meeting or in writing. If you bring written comments to the meeting, you may submit them to Coast Guard personnel specified at the meeting to receive written comments. These comments will be submitted to our online public docket. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Comments submitted after the meeting must reach the Coast Guard on or before August 15, 2018. We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on

behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).
