

the U.S. Army Corps of Engineers on the Tombigbee River, west of the city of Demopolis in Marengo and Sumter Counties, Alabama. The project would occupy 23 acres of federal land.

The FEA contains the staff's analysis of the potential environmental impacts of the project and concludes that licensing the project, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. The first page of any filing should include docket numbers P–1250–020, and P–14836–000.

k. Description of request: In the application filed on December 29, 2016, the City of Pasadena requests that the Commission issue an order granting the Azusa Project an exemption from the licensing requirements of Part I of the Federal Power Act. The City of Pasadena also requests administrative surrender of its license for the Azusa Project facilities excluded under FERC's definition of a small conduit hydroelectric facility.

a. *Licensed Facilities*: The applicant requests a conduit exemption for the Azusa Hydroelectric Project No. 1250. The applicant proposes to remove the following project facilities from the Commission's jurisdiction: (1) The forebay; (2) the 24.4-kV generator leads, a 2.3/12-kV transformer, and a short transmission line; (3) an afterbay. The aforementioned facilities would remain operational as part of the water supply facilities operated by the San Gabriel River Water Committee.

b. *Conduit Exemption*: The applicant proposes a conduit exemption for the Azusa Project No. 14836. The proposed project would be located on its water supply system and would consist of: (1)

An existing 797-foot-long, 38-inch diameter welded steel penstock; (2) an existing powerhouse containing one generating unit having an installed capacity of 3 megawatts; (3) an existing 148-foot-long, 136-inch-wide underground tailrace; and (4) appurtenant facilities. The City of Pasadena, estimates the project would have an average annual generation of 2,890 megawatt-hours that would be sold to a local utility.

l. *Locations of the Application*: This filing may be viewed on the Commission's website at <http://www.ferc.gov/docs-filing/elibrary.asp>. m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. *Filing and Service of Responsive Documents*: Any filing must (1) bear in all capital letters the title “COMMENTS”, “PROTEST”, or “MOTION TO INTERVENE” as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or

protests must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, motions to intervene, or protests should relate to project works which are the subject of the license amendment. Agencies may obtain copies of the application directly from the applicant. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application. If an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this application must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.

Dated: July 2, 2018.
