

investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be equal to the exporter-specific weighted-average dumping margin published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the cash deposit rate established for the China-wide entity, 92.84 percent; and (4) for all exporters of subject merchandise which are not located in China and which are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1), 751(a)(2)(B) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: July 3, 2018.

Certain Steel Nails From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Antidumping Duty Administrative Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that Daejin Steel Co. (Daejin), Koram Inc. (Koram), and Korea Wire Co., Ltd. (Kowire), producers/exporters of merchandise subject to this administrative review, made sales of subject merchandise at less than normal value. The period of review (POR) is July 1, 2016, through June 30, 2017.

DATES: Applicable July 12, 2018.

FOR FURTHER INFORMATION CONTACT: Robert Galantucci (Kowire), Maliha Khan (Daejin), or Trisha Tran (Koram), AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2923, (202) 482–0895, or (202) 482–4852, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 3, 2017, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty (AD) order on certain steel nails (steel nails)

from Korea.¹ On July 31, 2017, Daejin² and Kowire³ each requested an administrative review, and Mid Continent Steel & Wire, Inc.⁴ (the petitioner) requested an administrative review of 206 producers and/or exporters, including Daejin, Koram, Koram Steel Co. Ltd., and Kowire. On September 28, 2017, the petitioner withdrew its administrative review request with respect to 202 of the 206 companies identified as producers/exporters in the petitioner's July 31, 2017 letter. The petitioner maintained its administrative review request with respect to: Daejin, Koram, Koram Steel Co. Ltd., and Kowire. As such, Commerce issued its AD questionnaire to these companies on October 10, 2017.⁵

Partial Rescission of Administrative Review

Commerce received timely requests to conduct an administrative review of certain exporters covering the POR. Because the petitioner timely withdrew its request for review of all of the companies listed in the *Initiation Notice*, with the exception of Daejin, Koram, Koram Steel Co. Ltd., and Kowire, we are rescinding this administrative review with respect to the remaining companies on which we initiated a review pursuant to 19 CFR 351.213(d)(1). For a list of the companies for which we are rescinding this review, *see* Appendix II to this notice.

As discussed in the Preliminary Decision Memorandum, we preliminarily determine that Koram is the successor-in-interest to Koram Steel Co. Ltd.; therefore, we will not calculate a separate dumping margin for Koram Steel Co., Ltd.⁶ Accordingly, the three companies subject to the instant review are: Daejin, Koram, and Kowire.

The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The merchandise covered by this order is certain steel nails having a nominal shaft length not exceeding 12 inches.⁷ Merchandise covered by the order is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7317.00.55.02, 7317.00.55.03, 7317.00.55.05, 7317.00.55.07, 7317.00.55.08, 7317.00.55.11, 7317.00.55.18, 7317.00.55.19, 7317.00.55.20, 7317.00.55.30, 7317.00.55.40, 7317.00.55.50, 7317.00.55.60, 7317.00.55.70, 7317.00.55.80, 7317.00.55.90, 7317.00.65.30, 7317.00.65.60 and 7317.00.75.00. Certain steel nails subject to this order also may be classified under HTSUS subheadings 7907.00.60.00, 8206.00.00.00 or other HTSUS subheadings. While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive. For a full description of the scope of the order, see the Preliminary Decision Memorandum.⁸

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.⁹ A list of topics included in the Preliminary Decision

Memorandum is included as Appendix I to this notice.

Preliminary Results of Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins for the period July 1, 2016, through June 30, 2017:

Exporter and/or producer	Weighted-average dumping margin (percent)
Daejin Steel Co	3.02
Koram Inc	10.59
Korea Wire Co., Ltd	1.10

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

For any individually examined respondents whose weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).¹⁰ For entries of subject merchandise during the POR produced by each respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company involved in the transaction.¹¹ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to

liquidate the appropriate entries without regard to antidumping duties.

For the 202 companies for which this review is rescinded, antidumping duties will be assessed at rates equal to the cash deposit of estimated antidumping duties in effect at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirement

The following deposit requirements will be effective upon publication of the notice of the final results of administrative review for all shipments of steel nails from Korea entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.80 percent *ad valorem*, the all-others rate established in the less-than-fair value investigation.¹²

Disclosure and Public Comment

Commerce intends to disclose the calculations used in our analysis to interested parties in this review within five days of the date of publication of this notice in accordance with 19 CFR

⁷ The shaft length of certain steel nails with flat heads or parallel shoulders under the head shall be measured from under the head or shoulder to the tip of the point. The shaft length of all other certain steel nails shall be measured overall.

Supercalendered Paper From Canada: Final Results of Changed Circumstances Review and Revocation of Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is revoking the countervailing duty (CVD) order on supercalendered paper (SC paper) from Canada.

DATES: Applicable August 3, 2015.

FOR FURTHER INFORMATION CONTACT: Emily Halle or Nicholas Czajkowski, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-0176 or (202) 482-1395, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 10, 2015, Commerce published the *CVD Order* on SC paper from Canada.¹ On March 21, 2018, Verso Corporation (Verso) (*i.e.*, the petitioner) requested that Commerce conduct a changed circumstances review (CCR), pursuant to section 782(h)(2) of the Tariff Act of 1930, as amended (the Act) and 19 CFR

351.222(g)(l)(i). Verso expressed a lack of interest in the enforcement or existence of the *CVD Order*, and requested the retroactive revocation of the *CVD Order*, effective August 3, 2015.² Commerce published the initiation of this CCR on May 14, 2018.³ The parties to this proceeding provided comments on May 21, 2018.⁴ On June 21, 2018, pursuant to 19 CFR 351.302(b), Commerce extended the time limit for completing this CCR.⁵

Final Results of Changed Circumstances Review, and Revocation of the Order

Pursuant to section 751(d)(1) of the Act, and 19 CFR 351.222(g), Commerce may revoke an antidumping duty or CVD order, in whole or in part, based on a review under section 751(b) of the Act (*i.e.*, a CCR). Section 751(b)(1) of the Act requires a CCR to be conducted upon receipt of a request which shows changed circumstances sufficient to warrant a review. Section 782(h)(2) of the Act gives Commerce the authority to revoke an order if producers accounting for substantially all of the production of the domestic like product have expressed a lack of interest in the order. Section 351.222(g) of Commerce's regulations provides that Commerce will conduct a CCR under 19 CFR 351.216, and may revoke an order (in whole or in part), if it concludes that: (i) Producers accounting for substantially all of the production of the domestic like product to which the order pertains have expressed a lack of interest in the relief provided by the order, in whole or in part; or (ii) if other changed circumstances sufficient to warrant revocation exist. Both the Act and Commerce's regulations require that "substantially all" domestic producers express a lack of interest in the order for Commerce to revoke the order, in whole or in part.⁶ Commerce has interpreted "substantially all" to represent producers accounting for at least 85 percent of U.S. production of the domestic like product.⁷ In the *Initiation*
