of the EU-U.S. Privacy Shield framework.

ReadyTech provides online and instructor-led training. According to the Commission’s complaint, ReadyTech has set forth on its website, www.readytech.com/policies/privacy-policy/, privacy policies and statements about its practices, including statements related to the status of its participation in the EU-U.S. Privacy Shield framework.

The Commission’s complaint alleges that ReadyTech deceptively represented that it was actively in the process of certifying compliance with the EU-U.S. Privacy Shield framework when, in fact, ReadyTech never completed the necessary steps to finalize its application, and was not certified to participate in the EU-U.S. Privacy Shield framework.

Part I of the proposed order prohibits ReadyTech from making misrepresentations about its membership in any privacy or security program sponsored by the government or any other self-regulatory or standard-setting organization, including, but not limited to, the EU-U.S. Privacy Shield framework and the Swiss-U.S. Privacy Shield framework.

Parts II through VI of the proposed order are reporting and compliance provisions. Part II requires acknowledgement of the order and dissemination of the order now and in the future to persons with responsibilities relating to the subject matter of the order. Part III ensures notification to the FTC of changes in corporate status and mandates that ReadyTech submit an initial compliance report to the FTC. Part IV requires ReadyTech to retain documents relating to its compliance with the order for a five-year period.

Part V mandates that ReadyTech make available to the FTC information or subsequent compliance reports, as requested. Part VI is a provision “sunsetting” the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the proposed complaint or order or to modify the order’s terms in any way.

By direction of the Commission.

Donald S. Clark,
Secretary.
