Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: July 6, 2018.

SUPPLEMENTARY INFORMATION:

Background

This administrative review is being conducted in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this administrative review on steel wire garment hangers from the People's Republic of China (China) on December 7, 2017.¹ On April 26, 2018,² Commerce partially rescinded the review on 17 companies. Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through 22, 2018. As a result, the revised deadline for the preliminary results of this administrative review is now July 6, 2018.³

Scope of the Order

The merchandise subject to the *Order* is steel wire garment hangers.⁴ The products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 7326.20.0020, 7323.99.9060, and 7323.99.9080. Although the HTSUS subheadings are provided for convenience and customs purposes, the written product description of the scope of the order remains dispositive.⁵

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.⁶ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review and the entity's rate is not subject to change, (*i.e.*, 187.25 percent).⁷

Separate Rates

Commerce preliminarily determines that information placed on the record by Shanghai Wells demonstrates that this entity is entitled to separate rate status.⁸ For additional information, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. We calculated constructed export prices and export prices in accordance with section 772 of the Act. Because China is a non-market economy

Preliminary Results of the Review

Commerce preliminarily determines that the following weighted-average dumping margin exists for the POR:

Exporter	Weighted-average dumping margin (percent)
Shanghai Wells Hanger Co., Ltd./Hong Kong Wells Ltd ⁹	3.25

Disclosure and Public Comment

Commerce intends to disclose the calculations performed for these preliminary results to the parties no later than ten days after the date of the public announcement of this notice in accordance with 19 CFR 351.224(b).

⁹ In the first administrative review of the *Order*, Commerce found that Shanghai Wells Hanger Co., Ltd. and Hong Kong Wells Ltd. (collectively Shanghai Wells) are a single entity and, because there were no changes to the facts that supported that decision since that determination was made, we continue to find that these companies are part of a single entity for this administrative review. See *Steel Wire Garment Hangers from the People's Republic of China: Preliminary Results and Preliminary Rescission, in Part, of the First Antidumping Duty Administrative Review*, 75 FR 68758, 68761 (November 9, 2010), unchanged in *First Administrative Review of Steel Wire Garment Hangers from the People's Republic of China: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review*, 76 FR 27994, 27996 (May 13, 2011); see also *Steel Wire Garment Hangers from the People's Republic of China: Final Results of Antidumping Duty Administrative Review, 2015–2016*, 82 FR 54324 (November 17, 2017).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of these preliminary results of review. Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the case briefs are filed.¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.¹¹ If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Ave. NW, Washington, DC 20230, at a date and time to be determined.¹² Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

All submissions, with limited exceptions, must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by 5 p.m. Eastern Time (ET) on the due date. Documents excepted from the electronic submission requirements must be filed manually (e.g., in paper form) with the APO/Dockets Unit in Room 18022 and stamped with the date and time of receipt by 5 p.m. ET on the due date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹³ Commerce intends to issue assessment instructions to CBP 15 days

after the publication date of the final results of this review. For any individually examined respondent whose (estimated) *ad valorem* weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.50 percent) in the final results of this review, Commerce will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1).¹⁴ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate calculated in the final results of this review is not zero or *de minimis*. Where either the respondent's *ad valorem* weighted-average dumping margin is zero or *de minimis*,¹⁵ or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries that were not reported in the U.S. sales data submitted by companies individually examined during this review, Commerce will instruct CBP to liquidate such entries at the rate for the China-wide entity.¹⁶ Additionally, if Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (i.e., at that exporter's cash deposit rate) will be liquidated at the rate for the China-wide entity.¹⁷

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section

¹⁴ In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

751(a)(2)(C) of the Act: (1) For each specific company listed in the final results of this review, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review (except, if the *ad valorem* rate is *de minimis*, then the cash deposit rate will be zero); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate published for the most recently completed period; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).
