

Overview of this information collection:

(1) *Type of Information Collection:* New collection.

(2) *The Title of the Form/Collection:* National Survey of Victim Service Providers

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number for the collection is NSVSP-1 (note, there will be no hard copy of the NSVSP instrument, the survey will be completed online or over the phone). The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* A sample of agencies serving crime victims as their primary function or through dedicated staff or programs will be asked to respond. The National Survey of Victim Service Providers will gather data on the number of victims served by type of crime, victim characteristics, types of services provided, criminal justice and community relationships, service gaps, and VSP staff size, turnover, and characteristics. BJS plans to publish information from the NSVSP in reports and reference it when responding to queries from the U.S. Congress, Executive Office of the President, the U.S. Supreme Court, partner federal agencies (e.g., Office for Victims of Crime), state officials, international organizations, researchers, students, the media, and others interested in criminal justice statistics.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* A total of 8,067 victim service providers will be asked to respond to the survey. An estimated 5% of entities will no longer be in business or no longer serving victims. For ineligible respondents the survey will take less than 5 minutes to complete. Among active victim service providers, the expected response rate is 70%. For these 5,365 active victim service providers that decide to participate, it will take an average of 45 minutes to complete the survey.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 4,058 total burden hours associated with this collection.
