

approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Consistent with the requirements of Executive Order (E.O.) 13771, Reducing Regulation and Controlling Regulatory Costs, and E.O. 13777, Enforcing the Regulatory Reform Agenda, TSA is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents.

#### Information Collection Requirement

*OMB Control Number 1652-0034; Law Enforcement Officer Flying Armed Training.* TSA is requesting approval for the extension of the collection of this information to comply with 49 CFR 1544.219, which requires Federal LEOs, full-time territorial, tribal, municipal, county or state LEOs who are direct employees of government agencies, and authorized railroad police officers to complete the LEOs Flying Armed training course in order to fly armed. The course is a non-tactical overview of the conditions under which an officer may fly armed and the required conduct and duties of the LEO while flying armed. This collection permits TSA to collect identifying information from law enforcement agencies requesting the LEO Flying Armed training course materials.

The process begins when a representative from a law enforcement agency electronically requests the LEO Flying Armed training course material via the TSA Flying While Armed website (<https://www.tsa.gov/travel/law-enforcement>). The fillable form, which is submitted to TSA electronically, must contain: full name of the officer, title, phone number, email address, employing department, work address, supervisor's name, supervisor's title, supervisor's contact information, the agency's originating agency identifier (ORI), an affirmation that the officer/agency meets the requirements set forth in 49 CFR 1544.219, and a brief

narrative detailing the agency's operational need to fly armed. Once the fillable form is completed, TSA, through its Office of Training and Development (OTD), receives a notification via email. OTD vets the request to ensure that all of the required information has been submitted and that the agency has a current operational need to fly armed. If OTD determines that the requesting agency meets the standard set forth in 49 CFR 1544.219, they electronically send a non-disclosure agreement (NDA) to the requesting agency. Once OTD receives the signed NDA, they will electronically send the LEO Flying Armed training course materials to the requesting agency. OTD keeps an electronic record of each agency that they have sent LEO Flying Armed training course material to, including a point of contact (POC) for that agency. If an issue arises during the screening and verification process regarding the authenticity of an agency that requests training materials, no training materials will be supplied until that issue has either been confirmed or resolved, and a record of such is maintained.

Upon completion of the training, the LEO who has been authorized by his or her agency to fly armed presents his or her credentials and other required documentation at the airport in order to fly armed. A Transportation Security Officer verifies all pertinent information onsite. Based on current data, TSA estimates there are approximately 2,000 respondents on an annual basis. At most, each agency spends approximately 5 minutes to provide the information TSA needs to confirm the law enforcement agencies are eligible to receive the training. This amounts to 2000 agencies multiplied by 5 minutes equals 166.6 hours (2000 agencies × 5 min = 10,000 min [166.6 hrs.]) for a total annual hour burden of 167 hours.

**SUPPLEMENTARY INFORMATION:** Section 224 of the National Housing Act (12 U.S.C. 1715o) provides that debentures issued under the Act with respect to an insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4) of the Act) will bear interest at the rate in effect on the date the commitment to insure the loan or mortgage was issued, or the date the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. This provision is implemented in HUD's regulations at 24 CFR 203.405, 203.479, 207.259(e)(6), and 220.830. These regulatory provisions state that the applicable rates of interest will be published twice each year as a notice in the **Federal Register**.

Section 224 further provides that the interest rate on these debentures will be set from time to time by the Secretary of HUD, with the approval of the Secretary of the Treasury, in an amount not in excess of the annual interest rate determined by the Secretary of the Treasury pursuant to a statutory formula based on the average yield of all outstanding marketable Treasury obligations of maturities of 15 or more years.

The Secretary of the Treasury (1) has determined, in accordance with the provisions of Section 224, that the statutory maximum interest rate for the period beginning January 1, 2018, is 2¾ percent; and (2) has approved the establishment of the debenture interest rate by the Secretary of HUD at 2¾ percent for the 6-month period beginning January 1, 2018. This interest rate will be the rate borne by debentures issued with respect to any insured loan or mortgage (except for debentures issued pursuant to Section 221(g)(4)) with insurance commitment or endorsement date (as applicable) within the first 6 months of 2018.

Section 215 of Division G, Title II of Public Law 108–199, enacted January 23, 2004 (HUD’s 2004 Appropriations Act) amended Section 224 of the Act, to change the debenture interest rate for purposes of calculating certain insurance claim payments made in cash. Therefore, for all claims paid in cash on mortgages insured under Section 203 or 234 of the National Housing Act and endorsed for insurance after January 23, 2004, the debenture interest rate will be the monthly average yield, for the month in which the default on the mortgage occurred, on United States Treasury Securities adjusted to a constant maturity of 10 years, as found in Federal Reserve Statistical Release H–15. The Federal Housing Administration has codified this provision in HUD regulations at 24 CFR 203.405(b) and 24 CFR 203.479(b).

Section 221(g)(4) of the Act provides that debentures issued pursuant to that paragraph (with respect to the assignment of an insured mortgage to the Secretary) will bear interest at the “going Federal rate” in effect at the time the debentures are issued. The term “going Federal rate” is defined to mean the interest rate that the Secretary of the Treasury determines, pursuant to a statutory formula based on the average yield on all outstanding marketable Treasury obligations of 8- to 12-year maturities, for the 6-month periods of January through June and July through December of each year. Section 221(g)(4) is implemented in the HUD regulations at 24 CFR 221.255 and 24 CFR 221.790.

The Secretary of the Treasury has determined that the interest rate to be borne by debentures issued pursuant to Section 221(g)(4) during the 6-month period beginning January 1, 2018, is 2¾ percent.

The subject matter of this notice falls within the categorical exemption from HUD’s environmental clearance procedures set forth in 24 CFR 50.19(c)(6). For that reason, no environmental finding has been prepared for this notice.
