Changes Since the Preliminary Results

We made no changes to our subsidy rate calculation.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Final Results of Administrative Review

In accordance with section 777A(e) of the Act and 19 CFR 351.221(b)(5), we determine the total net countervailable subsidy rate for the period January 1, 2015, to December 31, 2015, to be:

Assessment Rates

In accordance with 19 CFR 351.212(b)(2), Commerce intends to issue appropriate instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of the final results of this review. Commerce will instruct CBP to liquidate shipments of subject merchandise produced and/or exported by the company listed above, entered, or withdrawn from warehouse, for consumption, from March 20, 2015, through December 31, 2015, at the *ad valorem* rate listed above.

Cash Deposit Requirements

Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Borusan, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, Commerce will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. Accordingly, the cash deposit requirements that will be applied to companies covered by this order, but not examined in this administrative review, are those established in the most recently completed segment of the proceeding for each company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

⁶ For the Borusan Companies, we initiated on the following: Borusan Istikbal Ticaret (Istikbal) and Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (BMB). As explained in the PDM, we found Istikbal and BMB to be cross-owned under Borusan Holding, A.S. No party has provided argument to the contrary; thus, for these final results, we continue to find all three companies to be cross-owned, though only BMB received countervailable subsidies in this review period.

with the regulations and terms of an APO is a sanctionable violation.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

SUPPLEMENTARY INFORMATION:

Background

Subsequent to the October 28, 2016, publication of the *Final Determination*,¹ and the December 16, 2016, publication of the *Order*,² Wheatland Tube Company (*i.e.*, the petitioner), filed a complaint with the Court challenging Commerce's treatment of the cost of "caps" used by Universal Tube and Plastic Industries, LLC—Jebel Ali Branch (UTP-JA), a producer/exporter of the mandatory respondent, Universal.³ On April 24, 2018, the Court remanded Commerce's final determination with the instruction that Commerce reexamine whether UTP-JA's cost of caps should be treated as packing expenses in light of its prior treatment of this material.⁴

On June 22, 2018, Commerce issued its final results of redetermination, in which we reclassified UTP-JA's cost of caps as packing expenses; this revision did not change the final dumping margin for Universal.⁵ On July 9, 2018, the Court sustained the Remand Redetermination.
