

prior approval of the Federal Reserve to establish a branch, agency, or representative office in the United States; to acquire ownership or control of a commercial lending company in the United States; or to change the status of any existing office in the United States. The FR K-2 information collection contains five attachments for the application and notification requirements embodied in subpart B of Regulation K. The Federal Reserve uses the information to fulfill its statutory obligations under the International Banking Act.

The applicant also is required to publish a notice in a newspaper of general circulation in the community where the office is proposed to be located. The notice must state the name and address of the applicant/notificant and the proposed office, and it must invite the public to submit written comments to the appropriate Reserve Bank.

Legal authorization and confidentiality: This information collection is mandatory and collected pursuant to sections 7, 10, and 13 of the International Banking Act (12 U.S.C. 3105, 3107, and 3108). The information collected on the FR K-2 is normally subject to public disclosure under the Freedom of Information Act (FOIA). The applying or notifying organization may request that portions of the information contained in the FR K-2 be afforded confidential treatment. To do so, applicants must demonstrate how the information for which confidentiality is requested would fall within the scope of one or more of the exemptions contained in the FOIA. Any such request would be evaluated on a case-by-case basis.

Effective date: July 31, 2018.

Current actions: On March 23, 2018, the Board published a notice in the **Federal Register** (83 FR 12760) requesting public comment for 60 days on the extension, with revision, of the FR K-2. The Board proposed to revise the FR K-2 form and instructions in order to: Improve the clarity of the requests; reflect the impact of new laws, regulations, capital requirements, and accounting rules; make minor changes for improved style, grammar and clarity; and harmonize the general information, certification, and confidentiality sections with other similar forms. The revisions are intended to make initial filings more reflective of the proposed transaction and thereby reduce the need for subsequent information requests, which delay the Federal Reserve's consideration of a filing and create additional burden for filers. The comment period for this notice expired

on May 22, 2018. The Board did not receive any comments. Accordingly, the revisions will be implemented as proposed.

General description of report: The Federal Reserve requires the submission of these filings for regulatory and supervisory purposes and to allow the Federal Reserve to fulfill its statutory obligations under the Bank Holding Company Act of 1956 (the BHC Act). These filings collect information on proposals by BHCs involving

formations, acquisitions, mergers, and nonbanking activities. The Federal Reserve uses this information to evaluate each individual transaction with respect to financial and managerial factors, permissibility, competitive effects, net public benefits, financial stability, and the impact on the convenience and needs of affected communities.

The applicant or notificant also is required to publish a notice in a newspaper of general circulation in the community where the head office of the bank to be acquired is located. The notice must state the name and address of the applicant and its proposed subsidiary, and it must invite the public to submit written comments to the appropriate Federal Reserve Bank.

Legal authorization and confidentiality: The FR Y-3 application and FR Y-3N notification are mandatory and submitted pursuant to section 3(a) of the BHC Act, which requires Board approval for formations, acquisitions, and mergers of bank holding companies (12 U.S.C. 1842(a)), and section 5(b) of the BHC Act, which authorizes the Board to issue regulations and orders to carry out these functions (12 U.S.C. 1844(b)). The information submitted in the FR Y-3, Y-3N, and Y-4 is considered to be public unless an institution requests confidential treatment for portions of the particular application or notification. Applicants may rely on any Freedom of Information Act exemption, and such requests for confidentiality must contain detailed justifications corresponding to the claimed exemption. Requests for confidentiality will be evaluated on a case-by-case basis.

Effective date: July 31, 2018.

Current actions: On March 23, 2018, the Board published a notice in the **Federal Register** (83 FR 12758) requesting public comment for 60 days on the extension, with revision, of the FR Y-3, FR Y-3N, and FR Y-4. The Board proposes to revise the FR Y-3, FR Y-3N, and FR Y-4 forms and instructions in order to improve the clarity of the requests; reflect the impact of new laws, regulations, capital requirements and accounting rules; delete items that are not typically useful for the analysis of the proposal; and add transparency for filers regarding the information that is required to consider

a proposal. The revisions are intended to make initial filings better reflect and include the information that Board staff requires to evaluate a transaction and thereby reduce the need for subsequent information requests, which may delay the Board's consideration of a filing and create additional burden for filers. The comment period for this notice expired on May 22, 2018. The Board did not receive any comments. Accordingly, the revisions will be implemented as proposed.

A. Purpose

This is a requirement for a revision and renewal of OMB control number 9000-0188, Combating Trafficking in Persons.
