[Docket ID FEMA–2018–0002: Internal  
 Agency Docket No. FEMA–8539]

**Suspension of Community Eligibility**

**AGENCY:** Federal Emergency  
 Management Agency, DHS.

**ACTION:** Final rule.

**SUMMARY:** This rule identifies  
 communities where the sale of flood  
 insurance has been authorized under  
 the National Flood Insurance Program  
 (NFIP) that are scheduled for  
 suspension on the effective dates listed  
 within this rule because of  
 noncompliance with the floodplain  
 management requirements of the  
 program. If the Federal Emergency  
 Management Agency (FEMA) receives  
 documentation that the community has  
 adopted the required floodplain  
 management measures prior to the  
 effective suspension date given in this  
 rule, the suspension will not occur and  
 a notice of this will be provided by  
 publication in the **Federal Register** on a  
 subsequent date. Also, information  
 identifying the current participation  
 status of a community can be obtained  
 from FEMA’s Community Status Book  
 (CSB). The CSB is available at [https://  
 www.fema.gov/national-flood-  
 insurance-program-community-status-  
 book](https://www.fema.gov/national-flood-insurance-program-community-status-book).

**DATES:** The effective date of each  
 community’s scheduled suspension is  
 the third date (“Susp.”) listed in the  
 third column of the following tables.

**FOR FURTHER INFORMATION CONTACT:** If  
 you want to determine whether a  
 particular community was suspended  
 on the suspension date or for further  
 information, contact Adrienne L.  
 Sheldon, PE, CFM, Federal Insurance  
 and Mitigation Administration, Federal  
 Emergency Management Agency, 400 C  
 Street SW, Washington, DC 20472, (202)  
 212–3966.

**SUPPLEMENTARY INFORMATION:** The NFIP  
 enables property owners to purchase  
 Federal flood insurance that is not  
 otherwise generally available from  
 private insurers. In return, communities  
 agree to adopt and administer local  
 floodplain management measures aimed  
 at protecting lives and new construction  
 from future flooding. Section 1315 of  
 the National Flood Insurance Act of  
 1968, as amended, 42 U.S.C. 4022,  
 prohibits the sale of NFIP flood  
 insurance unless an appropriate public  
 body adopts adequate floodplain  
 management measures with effective  
 enforcement measures. The  
 communities listed in this document no  
 longer meet that statutory requirement  
 for compliance with program  
 regulations, 44 CFR part 59.

Accordingly, the communities will be  
 suspended on the effective date in the  
 third column. As of that date, flood  
 insurance will no longer be available in  
 the community. We recognize that some  
 of these communities may adopt and  
 submit the required documentation of  
 legally enforceable floodplain

management measures after this rule is  
 published but prior to the actual  
 suspension date. These communities  
 will not be suspended and will continue  
 to be eligible for the sale of NFIP flood  
 insurance. A notice withdrawing the  
 suspension of such communities will be  
 published in the **Federal Register**.

In addition, FEMA publishes a Flood  
 Insurance Rate Map (FIRM) that  
 identifies the Special Flood Hazard  
 Areas (SFHAs) in these communities.  
 The date of the FIRM, if one has been  
 published, is indicated in the fourth  
 column of the table. No direct Federal  
 financial assistance (except assistance  
 pursuant to the Robert T. Stafford  
 Disaster Relief and Emergency  
 Assistance Act not in connection with a  
 flood) may be provided for construction  
 or acquisition of buildings in identified  
 SFHAs for communities not  
 participating in the NFIP and identified  
 for more than a year on FEMA’s initial  
 FIRM for the community as having  
 flood-prone areas (section 202(a) of the  
 Flood Disaster Protection Act of 1973,  
 42 U.S.C. 4106(a), as amended). This  
 prohibition against certain types of  
 Federal assistance becomes effective for  
 the communities listed on the date  
 shown in the last column. The  
 Administrator finds that notice and  
 public comment procedures under 5  
 U.S.C. 553(b), are impracticable and  
 unnecessary because communities listed  
 in this final rule have been adequately  
 notified.

Each community receives 6-month,  
 90-day, and 30-day notification letters  
 addressed to the Chief Executive Officer  
 stating that the community will be  
 suspended unless the required  
 floodplain management measures are  
 met prior to the effective suspension  
 date. Since these notifications were  
 made, this final rule may take effect  
 within less than 30 days.

*National Environmental Policy Act.*  
 FEMA has determined that the  
 community suspension(s) included in  
 this rule is a non-discretionary action  
 and therefore the National  
 Environmental Policy Act of 1969 (42  
 U.S.C. 4321 *et seq.*) does not apply.

*Regulatory Flexibility Act.* The  
 Administrator has determined that this  
 rule is exempt from the requirements of  
 the Regulatory Flexibility Act because  
 the National Flood Insurance Act of  
 1968, as amended, Section 1315, 42  
 U.S.C. 4022, prohibits flood insurance  
 coverage unless an appropriate public  
 body adopts adequate floodplain  
 management measures with effective  
 enforcement measures. The  
 communities listed no longer comply  
 with the statutory requirements, and  
 after the effective date, flood insurance

will no longer be available in the communities unless remedial action takes place.

*Regulatory Classification.* This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

*Executive Order 13132, Federalism.* This rule involves no policies that have federalism implications under Executive Order 13132.

*Executive Order 12988, Civil Justice Reform.* This rule meets the applicable standards of Executive Order 12988.

*Paperwork Reduction Act.* This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
