8339. Copies of available documents submitted to OMB may be obtained from Ms. Mussington.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Voucher Management System (VMS), Section 8 Budget and Financial Forms. OMB Approval Number: 2577–0282.

Type of Request: Reinstatement, without change, of a previously approved collection.

Form Number: Financial Forms: HUD–52672, 52681, 52681–B, 52663 and 52673. Originally, the HCV Financials were included in OMB Collection 2577–0169. Regulatory References 982.157 and 982.158. PHAs that administer the HCV program are required to maintain financial reports in accordance with accepted accounting standards in order to permit timely and effective audits. The HUD–52672 (Supporting Data for Annual Contributions Estimates Section 8 Housing Assistance Payments Program) and 52681 (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program) financial records identify the amount of annual contributions that are received and disbursed by the PHA and are used by PHAs that administer the five-year Mainstream Program, MOD Rehab, and Single Room Occupancy. Form HUD–52663 (Suggested Format for Requisition for Partial Payment of Annual Contributions Section 8 Housing Assistance Payments Program) provides for PHAs to indicate requested funds and monthly amounts. Form HUD–52673 (Estimate of Total Required Annual Contributions Section 8 Housing Assistance Payments Program) allows PHAs to estimate their total required annual contributions. The required financial statements are similar to those prepared by any responsible business or organization.

The automated form HUD–52681–B (Voucher for Payment of Annual Contributions and Operating Statement Housing Assistance Payments Program Supplemental Reporting Form) is entered by the PHA into the Voucher Management System (VMS) on a monthly basis during each calendar year to track leasing and HAP expenses by voucher category, as well as data concerning fraud recovery, Family Self-Sufficiency escrow accounts, PHA-held equity, etc. The inclusion, change, and deletion of the fields mentioned below will improve the allocation of funds and allow the PHAs and the Department to realize a more complete picture of the PHAs’ resources and program activities, promote financial accountability, and improve the PHAs’ ability to provide assistance to as many households as possible while maximizing budgets. In addition, the fields will be crucial to the identification of actual or incipient financial problems that will ultimately affect funding for program participants. The automated form HUD–52681–B is also utilized by the same programs as the manual forms.

Description of the need for the information and proposed use: The Voucher Management System (VMS) supports the information management needs of the Housing Choice Voucher (HCV) Program and management functions performed by the Financial Management Center (FMC) and the Financial Management Division (FMD) of the Office of Public and Indian Housing and the Real Estate Assessment Center (PIH–REAC). This system’s primary purpose is to provide a central system to monitor and manage the Public Housing Agency (PHAs) use of vouchers and expenditure of program funds, and is the base for budget formulation and budget implementation. The VMS collects PHAs’ actual cost data that enables HUD to perform and control cash management activities; the costs reported are the base for quarterly HAP and Fee obligations and advance disbursements in a timely manner, and reconciliations for overages and shortages on a quarterly basis.

Respondents (i.e., affected public): Public Housing Authorities.

Estimated Number of Respondents: 3,110.

Estimated Number of Responses: 28,960.

Frequency of Response: Monthly.

Average Hours per Response: 1.5.

Total Estimated Burdens: 57,540.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency’s estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Dated: July 20, 2018.

Merrie Nichols-Dixon,
Director, Office of Policy, Programs and Legislative Initiatives.

BILLING CODE 4210–67–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–7001–N–40]

30-Day Notice of Proposed Information Collection: Evaluation of the Supportive Services Demonstration

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: HUD submitted the proposed information collection requirement described below to the Office of Management and Budget (OMB) for review, in accordance with the Paperwork Reduction Act. The purpose of this notice is to allow for 30 days of public comment.

DATES: Comments Due Date: August 29, 2018.
Federal Register / Vol. 83, No. 146 / Monday, July 30, 2018 / Notices
The total estimated annual cost for this information collection is $29,206.70.

To estimate the cost per hour for the questionnaire and interview respondents, we use the most recent (May 2016) Bureau of Labor Statistics, Occupational Employment Statistics median hourly wage for selected occupations classified by Standard Occupational Classification (SOC) codes and added 31.7 percent to account for benefits costs. (According to the Bureau of Labor Statistics’ Employer Costs for Employee Compensation data from September 2017, benefit costs averaged 31.7 percent of employer costs for employee compensation across all job categories.)

The hourly cost per response for the initial questionnaire, $34.04, is a weighted average of the estimated hourly cost for RWDs, service coordinators, and property managers. To estimate hourly wage rates for resident wellness directors and service coordinators, we used the occupation code Healthcare Social Workers (21–1022) with a median hourly wage of $25.85 and an estimated cost with benefits of $34.04. For property managers, we used the occupation code Property, Real Estate, and Community Association Managers (11–940) with a median hourly wage of $27.70 and an estimated cost with benefits of $34.04.

The hourly cost per response for the interviews, $34.04, is a weighted average of the estimated hourly cost for RWDs, service coordinators, property managers, and WNs. As discussed above, the estimated hourly cost for resident wellness directors and service coordinators is $34.04 and the estimated hourly cost for property managers is $34.04. For WNs, we used the occupation code Registered Nurses (29–1141) with a median hourly wage of $34.04 and an estimated cost with benefits of $34.04.

The hourly cost for the focus groups with residents is $7.90. Most of the properties in the SSD are funded through HUD’s Supportive Housing for the Elderly (Section 202) program. According to HUD’s Picture of Subsidized Households for 2016, the average household income for Section 202 residents is $13,311. Some 98 percent of households have something other than wages or welfare benefits as their major source of income, in most cases Social Security benefits. To estimate the hourly cost for the residents participating in focus groups, we translated the average monthly Social Security benefit for retired workers, which in 2017 was $1,369 [https://www.ssa.gov/news/press/factsheets/basicfact-alt.pdf] into an hourly rate of $7.90 per hour (by multiplying by 12 months and dividing by 2,080 hours).

The hourly cost for the focus groups with caregivers is $27.70. To estimate hourly costs for the caregivers participating in focus groups, we used the median annual household income from the 2016 American Community Survey, $57,617, and divided it by 2,080 hours to arrive at an hourly rate of $27.70.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

1. Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. The accuracy of the agency’s estimate of the burden of the proposed collection of information;
3. Ways to enhance the quality, utility, and clarity of the information to be collected; and
4. Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

Dated: July 18, 2018.
Anna P. Guido,
Department Reports Management Officer,
Office of the Chief Information Officer.
