Laminated Woven Sacks From the Socialist Republic of Vietnam: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable July 31, 2018.

FOR FURTHER INFORMATION CONTACT:

Drew Jackson or Celeste Chen, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4406 or (202) 482-0890, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 27, 2018, the Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of laminated woven sacks (LWS) from the Socialist Republic of Vietnam (Vietnam).¹ Currently, the preliminary determination is due no later than August 14, 2018.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires

¹ See *Laminated Woven Sacks From the Socialist Republic of Vietnam: Initiation of Less-Than-Fair-Value Investigation*, 83 FR 14257 (April 3, 2018) (*Initiation Notice*).

Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On July 17, 2018, the petitioners² submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.³ The petitioners stated that they request postponement “because the initial questionnaire responses submitted by the respondents in this investigation are substantially deficient, and it may not be possible for {Commerce} to obtain usable corrected responses within the current schedule.”⁴

For the reasons stated above, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than October 3, 2018. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

² The petitioners are the Laminated Woven Sacks Fair Trade Coalition and its individual members, Polytex Fibers Corporation and ProAmpac Holdings Inc.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Notice of Court Decisions Not in Harmony With Final Results of Administrative Review and Notice of Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 24, 2018, the United States Court of International Trade (Court) issued final judgments in *Vinh Hoan Corporation et al. v. United States*, Consol. Court No. 13-00156, sustaining the Department of Commerce’s (Commerce) remand results for the eighth administrative review of the antidumping duty order on certain frozen fish fillets from the Socialist Republic of Vietnam (Vietnam) covering the period of review (POR) August 1, 2010, through July 31, 2011. Commerce is notifying the public that the Court’s final judgment is not in harmony with Commerce’s final results of the administrative review, and that Commerce is amending the final results with respect to certain exporters.

DATES: Applicable June 3, 2018.

al.³ and the petitioners⁴ timely filed complaints with the Court and challenged certain aspects of the *AR8 Amended Final Results*. On February 19, 2015, the Court remanded Commerce's *AR8 Amended Final Results*.⁵

In the first remand, in accordance with the Court's instructions, Commerce reconsidered its selection of the surrogate country, and the selection of certain surrogate values (SVs), *i.e.*, whole live *pangasius* fish, surrogate financial statements, various by-products and several other SVs, as they relate to the selection of the surrogate country.⁶ Additionally, and in accordance with the Court's instructions, Commerce made changes to Vinh Hoan Corporation's⁷ (Vinh Hoan) margin calculation, specifically, by adjusting the denominators for Vinh Hoan's factors of production (FOPs) to exclude water weight, and adjusting the consignment expense for certain sales. Commerce made changes to the margin calculations of Vinh Hoan, Anvifish Joint Stock Company (Anvifish) and the separate rate respondents' margins to account for a small change in the whole live fish SV. Also, at Commerce's request, the Court granted Commerce a voluntary remand to reconsider the calculation of the cap applied to Vinh Hoan's fish oil by-product offset.

2011, 78 FR 29323 (May 20, 2013) (*AR8 Amended Final Results*) and accompanying Ministerial Error Memorandum.

³ These include Vinh Hoan, the Vietnam Association of Seafood Exporters and Producers, Binh An Seafood Joint Stock Company (Binh An), Anvifish and Vinh Quang Fisheries Corporation (Vinh Quang).

⁴ Catfish Farmers of America and the following individual U.S. catfish processors: America's Catch, Consolidated Catfish Companies, LLC dba Country Select Catfish, Delta Pride Catfish, Inc., Harvest Select Catfish, Inc., Heartland Catfish Company, Pride of the Pond, and Simmons Farm Raised Catfish, Inc. (collectively, the petitioners).

⁷ Vinh Hoan was one of two mandatory respondents selected by Commerce. Vinh Hoan includes Vinh Hoan Corporation and its affiliates Van Duc Food Export Joint Company and Van Duc Tien Giang (VDTG).

On May 26, 2016, the Court remanded Commerce's First Remand Results.⁸ In the second remand, in accordance with the Court's instructions, Commerce reconsidered its selection of the sawdust and rice husk SVs, provided further explanation concerning the cap to the fish oil by-product offset, and discussed the use of the absolute value of by-products in the margin calculation.⁹ The Court upheld our findings on these issues, except one, the fish oil by-product offset.¹⁰

On July 10, 2017, the Court remanded Commerce's Second Remand Results.¹¹ In the third remand, in accordance with the Court's instructions, Commerce provided further explanation with respect to the calculated fish oil by-product offset and its superiority with respect to the other fish oil SVs on the record.¹² On September 22, 2017, Commerce filed the Third Remand Results with the Court. On May 24, 2018, the Court upheld the Third Remand Results.

As a result of the AR8 Remand Results,¹³ there are calculation changes. After accounting for all such changes and issues in the AR8 Remand Results, the resulting antidumping margin for Vinh Hoan is \$0.13 per kilogram and \$2.39 per kilogram for Anvifish. Because Vinh Hoan's and Anvifish's margins changed, their weighted average also becomes the margin (\$1.28 per kilogram) for those companies not individually examined but receiving a separate rate. On May 24, 2018, the Court sustained the AR8 Remand Results.¹⁴

Consistent with the decision of the United States Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), as clarified by *Diamond Sawblades Mfrs. Coalition v. United States*, 626 F.3d 1374 (Fed. Cir. 2010) (*Diamond Sawblades*), Commerce is notifying the public that the final judgment in this case is not in harmony with Commerce's final results of the antidumping duty administrative review of the antidumping duty order on fish fillets from Vietnam covering the POR. Thus, Commerce is amending the *AR8 Amended Final Results* with respect to the weighted-average dumping margins for Vinh Hoan, Anvifish and the separate rate respondents.¹⁵

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (Act), Commerce must publish a notice of a court decision that is not "in harmony" with a Commerce determination and must suspend liquidation of entries pending a "conclusive" court decision. The Court's May 24, 2018, judgment sustaining the AR8 Remand constitutes a final decision of the Court that is not in harmony with Commerce's *AR8 Amended Final Results*. This notice is published in fulfillment of the publication requirement of *Timken*.

Amended Final Results

Because there is now a final court decision, Commerce is amending the *AR8 Amended Final Results* with respect to Vinh Hoan, Anvifish and the separate rate respondents. The revised weighted-average dumping margins for these exporters during the period August 1, 2010, through July 31, 2011, are as follows:

¹⁵ These include: An Giang Agriculture and Food Import-Export Joint Stock Company; Asia Commerce Fisheries Joint Stock Company; Binh An Seafood Joint Stock Company; Cadovimex II Seafood Import-Export and Processing Joint Stock Company; Hiep Thanh Seafood Joint Stock Company; Hung Vuong Corporation; Nam Viet Corporation; NTSF Seafoods Joint Stock Company; QVD Food Company Ltd.; Saigon Mekong Fishery Co., Ltd.; Southern Fisheries Industries Company Ltd.; and Vinh Quang Fisheries Corporation (collectively, separate rate respondents).

Accordingly, Commerce will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision. In the event the Court's ruling is not appealed or, if appealed, upheld by the CAFCA, Commerce will instruct U.S. Customs and Border Protection to assess antidumping duties on unliquidated entries of subject merchandise exported by the companies mentioned above using the assessment rate calculated by Commerce in the AR8 Remand Results and listed above.

Cash Deposit Requirements

Unless the applicable cash deposit rates have been superseded by cash deposit rates calculated in an intervening administrative review of the AD order on frozen fish fillets from Vietnam, Commerce will instruct U.S. Customs and Border Protection to require a cash deposit for estimated AD duties at the rate noted above for each specified exporter and producer combination, for entries of subject merchandise, entered or withdrawn from warehouse, for consumption, on or after June 3, 2018.

¹⁶ This rate is applicable to the Vinh Hoan Group which includes: Vinh Hoan, Van Duc, and VDTG.

¹⁷ Includes the trade name Anvifish Co., Ltd.

¹⁸ This rate is also applicable to QVD Dong Thap Food Co., Ltd. (Dong Thap) and Thuan Hung Co., Ltd. (THUFICO). In the second review of this order, Commerce found QVD, Dong Thap and THUFICO to be a single entity, and because there has been no evidence submitted on the record of this review that calls this determination into question, we continue to find these companies to be part of a single entity. Therefore, we will assign this rate to the companies in the single entity.
