Ripe Olives From Spain; Determinations

On the basis of the record developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of ripe olives from Spain, provided for in subheadings 2005.70.02, 2005.70.04, 2005.70.50, 2005.70.60, 2005.70.70, and 2005.70.75 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV") and to be subsidized by the United States.

By order of the Commission.

Issued: July 25, 2018.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Craig S. Morris, DDS; Dismissal of Proceeding

On November 13, 2017, the Acting Assistant Administrator, Diversion Control Division, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Craig S. Morris, DDS (Respondent), of Texas. The Show Cause Order proposed the revocation of Respondent’s Certificates of Registration FM5300582 and FM5293294 on the ground that he “materially falsified his applications for [his] DEA Certificates of Registration.” The DEA’s Office of Diversion Control, on January 5, 2018, forwarded a copy of the Order to the Diversion Control Division’s Acting Assistant Administrator (hereinafter “Respondent’s Statement”), attached as GX B to RFAA, at 1. Respondent did not, however, request a hearing.

The Government represents that on November 20, 2017, a DEA Diversion Investigator (DI) served a copy of the Show Cause Order on Respondent by electronic mail to an email address that the DI had previously used to correspond with Respondent and that Respondent had provided to DEA as a “contact email” in connection with his DEA Certificates of Registration. RFAA, at 3–4 (citing Declaration of DI attached as GX A to RFAA, at 3). There is no dispute that timely service occurred because the Government states that DEA’s Diversion Control Division received Respondent’s written submissions in connection with the Show Cause Order on December 19, 2017. RFAA, at 4 (citing the Diversion Control Division’s Acting Assistant Administrator’s December 20, 2017 letter to Respondent, attached as GX C to RFAA, at 1).

Although Respondent’s submissions included a letter (dated December 12, 2017) entitled “Corrective Action Plan,” the letter stated that it was “being submitted in response to the Order to Show Cause levied against me by your office” and attached an affidavit in support signed by Respondent and notarized on December 15, 2017. Respondent’s Written Submissions (hereinafter “Respondent’s Statement” or “Resp. Stat.”), attached as GX B to RFAA, at 1. Respondent did not, however, request a hearing. See generally id. Based on Respondent’s submission, I find that he waived his right to a hearing on the allegations. 21 CFR 1301.43(c). However, pursuant to 21 CFR 1301.43(c), I deem Respondent’s submission to be his “written statement

or controlled substances registration revoked, suspended, denied, restricted or placed on probation, or is any such action pending?” Id. at 2. The Order further alleged that, when he “submitted his applications to the DEA and provided a ‘no’ answer to Liability Question 3, [his] Nevada license to practice dentistry had been placed on probation and was currently suspended.” Id. Based on Respondent’s alleged “material falsification of [his] applications to the DEA,” the Order asserted that “DEA must revoke” his registrations. Id. at 3.

The Show Cause Order notified Respondent of his right to request a hearing on the allegations or to submit a written statement in lieu of a hearing, the procedure for electing either option, and the consequence of failing to elect either option. Id. (citing 21 CFR 1301.43). The Show Cause Order also notified Respondent of his right to submit a corrective action plan. Id. at 3–4 (citing 21 U.S.C. 824(c)(2)(C)).
