Certain Frozen Warmwater Shrimp From India: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is initiating a changed circumstances review and preliminarily determining that Coastal Aqua Private Limited (CAPL) is the successor-in-interest to Coastal Aqua in the context of the antidumping duty order on certain frozen warmwater shrimp (shrimp) from India.

DATES: Applicable August 2, 2018.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: 202–482–3860.

SUPPLEMENTARY INFORMATION:.

Background

On February 1, 2005, Commerce published in the *Federal Register* an antidumping duty order on shrimp from India.¹ On June 13, 2018, CAPL requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(b), Commerce conduct an expedited changed circumstances review of the *Order* to confirm that CAPL is the successor-in-interest to Coastal Aqua and, accordingly, to assign

it the cash deposit rate of Coastal Aqua.² In its submission, CAPL explained that Coastal Aqua undertook a business reorganization and transferred its shrimp business to CAPL.³ The domestic industry did not file any comments on this request.

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.⁴ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.

Initiation and Preliminary Results

Pursuant to section 751(b)(1) of the Act, Commerce will conduct a changed circumstances review upon receipt of information concerning, or a request from, an interested party for a review of an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. As indicated in the “Background” section, we received information indicating that Coastal Aqua transferred its shrimp business to CAPL. This constitutes changed circumstances warranting a review of the order.⁵ Therefore, in accordance with section 751(b)(1) of the Act and 19 CFR 351.216(d) and (e), we are initiating a changed circumstances review based upon the information contained in CAPL’s submission.

Section 351.221(c)(3)(ii) of Commerce’s regulations permits Commerce to combine the notice of initiation of a changed circumstances review and the notice of preliminary results if Commerce concludes that expedited action is warranted.⁶ In this instance, because the record contains

information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.⁷

In this changed circumstances review, pursuant to section 751(b) of the Act, Commerce conducted a successor-in-interest analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base.⁸ While no single factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the successor to the previous company if the new company’s resulting operation is not materially dissimilar to that of its predecessor.⁹ Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.¹⁰

In accordance with 19 CFR 351.216, we preliminarily determine that CAPL is the successor-in-interest to Coastal Aqua. Record evidence, as submitted by CAPL, indicates that CAPL operates as essentially the same business entity as Coastal Aqua with respect to the subject merchandise.¹¹ For the complete successor-in-interest analysis, including discussion of business proprietary
