**Foreign Endangered Species; Issuance of Permits**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice of issuance of permits.

**SUMMARY:** We, the U.S. Fish and Wildlife Service, have issued permits to conduct activities with endangered and threatened species under the authority of the Endangered Species Act, as amended (ESA). With some exceptions, the ESA prohibits activities involving listed species unless a Federal permit is issued that allows such activity.

**ADDRESSES:** Information about the applications for the permits listed in this notice is available online at [www.regulations.gov](http://www.regulations.gov). See

**SUPPLEMENTARY INFORMATION** for details.

**FOR FURTHER INFORMATION CONTACT:** Joyce Russell, 703-358-2023.

**SUPPLEMENTARY INFORMATION:** We, the U.S. Fish and Wildlife Service, have issued permits to conduct certain activities with endangered and threatened species in response to permit applications that we received under the authority of section 10(a)(1)(A) of the Endangered Species Act of 1973 (16 U.S.C. 1531 *et seq.*; ESA).

After considering the information submitted with each permit application and the public comments received, we issued the requested permits subject to certain conditions set forth in each permit. For each application for an endangered species, we found that (1) the application was filed in good faith, (2) the granted permit would not operate to the disadvantage of the endangered species, and (3) the granted permit would be consistent with the purposes and policy set forth in section 2 of the ESA.

**SUPPLEMENTARY INFORMATION:** We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications for a permit to conduct activities intended to enhance the propagation or survival of endangered or threatened species. Federal law prohibits certain activities with endangered species unless a permit is obtained.

**Background**

The Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*;

ESA), prohibits certain activities with endangered and threatened species unless the activities are specifically authorized by a Federal permit. The ESA and our implementing regulations in part 17 of title 50 of the Code of Federal Regulations (CFR) provide for the issuance of such permits and require that we invite public comment before issuing permits for activities involving endangered species.

A permit granted by us under section 10(a)(1)(A) of the ESA authorizes the permittee to conduct activities with U.S. endangered or threatened species for scientific purposes, enhancement of propagation or survival, or interstate commerce (the latter only in the event that it facilitates scientific purposes or enhancement of propagation or survival). Our regulations implementing section 10(a)(1)(A) of the ESA for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

**Applications Available for Review and Comment**

We invite local, State, Tribal, and Federal agencies and the public to comment on the following applications. Please refer to the permit number when you submit comments. Documents and other information the applicants have submitted with the applications are available for review, subject to the requirements of the Privacy Act (5 U.S.C. 552a) and Freedom of Information Act (5 U.S.C. 552).

**Permit Applications**

Proposed activities in the following permit requests are for the recovery and enhancement of propagation or survival of the species in the wild.
