For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (Dec. 1994), Comm'n Op. at 7-10.

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist order would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: Parties to the investigation, including OUII, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Complainant and OUII are also requested to submit proposed remedial orders for the Commission's consideration. Complainant is further requested to state the date that the asserted patents expire and the HTSUS numbers under which the accused products are imported, and provide identification information for all known importers of the subject articles. The written submissions and proposed remedial orders must be filed no later than close of business on August 20, 2018. Reply submissions must be filed no later than the close of business on August 27, 2018. No further submissions on these issues will be

permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 337-TA-1108") in a prominent place on the cover page and/or the first page. See Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/handbook_on_electronic_filing.pdf. Persons with questions regarding filing should contact the Secretary at (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel,¹ solely for cybersecurity purposes. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

¹ All contract personnel will sign appropriate nondisclosure agreements.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1378-1379 (Final)]

Low Melt Polyester Staple Fiber From Korea and Taiwan

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of low melt polyester staple fiber (PSF) from Korea and Taiwan that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV").^{2,3}

Background

The Commission instituted these investigations effective June 27, 2017, following receipt of a petition filed with the Commission and Commerce by Nan Ya Plastics Corporation, America, Livingston, New Jersey. The Commission scheduled the final phase of the investigations following notification of preliminary determinations by Commerce that imports of low melt PSF from Korea and Taiwan were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of February 26, 2018 (83 FR 8295). A revised schedule was

³ The Commission also finds that imports subject to Commerce's affirmative critical circumstances determination are not likely to undermine seriously the remedial effect of the antidumping duty order on Korea.

published on May 9, 2018 (83 FR 21306). The hearing was held in Washington, DC, on June 19, 2018, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on August 6, 2018. The views of the Commission are contained in USITC Publication 4808 (August, 2018), entitled *Low Melt Polyester Staple Fiber from Korea and Taiwan: Investigation Nos. 731-TA-1378-1379 (Final)*.

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on

this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 8, 2017, based on a complaint filed by Phillips Lighting North America Corp. of Somerset, New Jersey, and Phillips Lighting Holding B.V. of Eindhoven, Netherlands (together, "Phillips"). 82 FR 51872. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain LED lighting devices, LED power supplies, and components thereof that infringe certain claims of U.S. Patent Nos. 6,586,890; 7,038,399; 7,256,554; 7,262,559; and 8,070,328 ("the '328 patent"). *Id.* The **Federal Register's** notice of investigation names as respondents Feit Electric Company, Inc., of Pico Rivera, California; Edgewell Personal Care Brands, LLC of Shelton, Connecticut ("Edgewell"); Feit Electric Company, Inc. (China) of Xiamen, China; Lowe's Companies of Mooresville, North Carolina; L G Sourcing of North Wilkesboro, North Carolina; MSi Lighting, Inc. of Boca Raton, Florida; Satco Products, Inc. of Brentwood, New York; Topaz Lighting Corp. of Holtsville, New York; Wangs Alliance Corporation d/b/a WAC Lighting Co. of Port Washington, New York; and WAC Lighting (Shanghai) Co. Ltd., of Shanghai, China. *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.* The Commission previously terminated the investigation with respect to the '328 patent. Order No. 44 (May 22, 2018), *not reviewed* Notice (June 11, 2018).

Neither the original complaint nor the amended complaint makes any allegations against Edgewell. The **Federal Register** notice of investigation, however, names Edgewell as a respondent. Under Commission Rule 210.14(b) (19 CFR 210.14(b)), good cause exists to amend the notice of investigation to correct this error by deleting Edgewell.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: August 6, 2018.

Secretary to the Commission.
