AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminary determines that Dongkuk Steel Mill Co., Ltd. (Dongkuk) and Hyundai Steel Company (Hyundai), producers/exporters of merchandise subject to this administrative review, made sales of subject merchandise at less than normal value. The period of review (POR) is January 4, 2016, through June 30, 2017.

Scope of the Order

The merchandise covered by the order is certain corrosion-resistant steel products. For a complete description of the scope of the order, see the Preliminary Decision Memorandum. Methodology

Review-Specific Average Rate Applicable to the Following Companies: 2

1 Commerce found Dongkuk to be the successor-in-interest to Union Steel Manufacturing Co., Ltd., in the underlying investigation. See Certain Corrosion-Resistant Steel Products from the Republic of Korea: Affirmative Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination, 81 FR 78 (January 4, 2016), and accompanying Decision Memorandum at 7, unchanged in Certain Corrosion-Resistant Steel Products from the Republic of Korea: Final Determination of Sales at Less Than Fair Value and Final Affirmative Determination of Critical Circumstances, 81 FR 35303 (June 2, 2016), and accompanying Issues and Decision Memorandum at 6.

2 This rate is based on the weighted-average margin using the publicly-ranged sales value of mandatory respondents, and is the best proxy of the actual weighted-average margin determined for the mandatory respondents. Due to requests to protect business proprietary information, we cannot apply our normal methodology of calculating a weighted-average margin. See Ball Bearings and Parts Thereof from France, et al.: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part, 75 FR 53661, 53663 (September 1, 2010); see also Memorandum re: Calculation of the Review-Specific Average Rate for the Preliminary Results, dated concurrently with this notice.

3 This rate was calculated as discussed in footnote 2, above.

4 See section 751(a)(2)(C) of the Act.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.

Pursuant to 19 CFR 351.212(b)(1), where the mandatory respondents reported the entered value for their U.S. sales, we calculated importer-specific ad valorem duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where the mandatory respondents did not report entered value, we calculated the entered value in order to calculate the assessment rate. Where either the respondent’s weighted-average dumping margin is zero or de minimis within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the average 3 of the cash deposit rates calculated for the two mandatory respondents. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this

review, except if the rate is less than 0.50 percent and, therefore, de minimis within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 8.32 percent, the all-others rate established in the underlying investigation. These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice. Interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than 120 days after the publication of these preliminary results in the Federal Register, unless otherwise extended.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

James Maeder,
Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
