Diamond Sawblades and Parts Thereof From the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that certain companies covered by this administrative review made sales of subject merchandise at less than normal value.

DATES: Applicable August 10, 2018.

FOR FURTHER INFORMATION CONTACT: Yang Jin Chun or Joshua Poole, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5760 and (202) 482–1293, respectively.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on diamond sawblades and parts thereof (diamond sawblades) from the People’s Republic of China (China). The period of review (POR) is November 1, 2016, through October 31, 2017. Commerce has preliminarily determined that certain companies covered by this review made sales of subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results.

Scope of the Order

The merchandise subject to the order is diamond sawblades and parts thereof. The diamond sawblades subject to the order are currently classifiable under subheadings 8202 to 8206 of the Harmonized Tariff Schedule of the United States (HTSUS), and may also enter under 6804.21.00. While the HTSUS subheadings are provided for convenience and customs purposes, the written description is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.¹

Preliminary Determination of No Shipments

Six companies that received a separate rate in previous segments of the proceeding and are subject to this review reported that they did not have any exports of subject merchandise during the POR.² We requested that U.S. Customs and Border Protection (CBP) report any contrary information.³ To date, we have not received any contrary information from either CBP in response to our inquiry or any other sources that these companies had any shipments of the subject merchandise sold to the United States during the POR.⁴ Further, consistent with our practice, we find that it is not appropriate to rescind the review with respect to these companies but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of review.⁵

Separate Rates

Commerce preliminarily determines that 14 respondents are eligible to receive separate rates in this review.⁶

Separate Rates for Eligible Non-Selected Respondents

Because we denied the separate rate eligibility for the two respondents selected for individual examination, Danyang Huachang Diamond Tools Manufacturing Co., Ltd. (Danyang Huachang) and Jiangsu Youhe Tool Manufacturer Co., Ltd. (Jiangsu Youhe), and treated them as part of the China-wide entity, we preliminarily applied to non-selected respondents the separate rate assigned to eligible respondents in the last completed administrative review, which is 82.05 percent.⁷

China-wide entity,⁸ the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review and the entity's rate is not subject to change (*i.e.*, 82.05 percent).⁹ Aside from the no-shipments and separate rate companies discussed above, Commerce considers all other companies for which a review was requested (which did not file a separate rate application) to be part of the China-wide entity.¹⁰

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For Danyang Huachang and Jiangsu Youhe, we denied the separate rate eligibility and treated them as part of the China-wide entity.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance's Antidumping and

all appropriate entries covered by this review.¹⁵ If the preliminary results are unchanged for the final results, we will instruct CBP to apply an ad valorem assessment rate of 82.05 percent to all entries of subject merchandise during the POR which were exported by the non-selected respondents eligible for a separate rate. If Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide rate.¹⁶ Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For subject merchandise exported by the companies listed above that have separate rates, the cash deposit rate will be that established in the final results of review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR.

¹⁶ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65695 (October 24, 2011).

Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.
