**Partial Recission of Administrative Review**

We initiated the instant review on eight companies (including companies collapsed and collectively treated as a single entity in the LTFV investigation). Pursuant to 19 CFR 351.213(d)(1), we will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” Because all relevant parties timely withdrew their requests for review of certain companies listed in the Initiation Notice, we are rescinding the administrative review with respect to the following three companies: Great Grandeul Steel Co., Ltd., Meng Sin Material Co., Ltd., and Xxentria Technology Materials Co., Ltd. Accordingly, the remaining companies subject to the instant review are Prosperity, YP/Synn, and Chung Hung Steel Corporation.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1) and (2) of the Tariff Act of 1930, as amended (the Act). Export and constructed export price were calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Assessment Rates**

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

If the weighted-average dumping margin for the mandatory respondents (i.e., SYSCO, Prosperity, and YP/Synn) is not zero or de minimis (i.e., less than 0.5 percent), we will calculate importer-specific ad valorem AD assessment rates based on the ratio of the total amount of dumping calculated for the importers examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above de minimis (i.e., 0.5 percent). Where
either the respondent’s weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

For the companies which were not selected for individual review (i.e., Chung Huing), we will assign an assessment rate based on the weighted-average of the cash deposit rates calculated for the companies selected for mandatory review (i.e., SYSCO, Prosperity, and YP/Synn), excluding any which are de minimis or determined entirely on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.9

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate of 10.34 percent if there is no rate for the intermediate company(ies) involved in the transaction.10 We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of CORE from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication provided by section 751(a)(2) of the Act: (1) The cash deposit rate for each company listed above will be equal to the dumping margins established in the final results of this review except if the ultimate rates are de minimis within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 10.34 percent, the all-others rate established in the antidumping investigation.11 These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

Commerce will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.12 Pursuant to 19 CFR 351.309(c)(1)(i), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.13 Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with the argument: (1) A statement of the issue, (2) a summary of the argument, and (3) a table of authorities.14 All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by Commerce’s electronic records system, ACCESS.

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, using Enforcement and Compliance’s ACCESS system within 30 days of publication of this notice.15 Requests should contain the party’s name, address, and telephone number, the number of participants, and a list of the issues to be discussed. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing which will be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and location to be determined.16 Parties should confirm by telephone the date, time, and location of the hearing.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2), Commerce will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, within 120 days after issuance of these preliminary results.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

James Maeder,
Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
