We intend to disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding, in accordance with 19 CFR 351.224(b).

#### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the amended final results of this review.

Pursuant to 19 CFR 351.212(b)(1), where Hyundai Steel and SeAH reported the entered value of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where Hyundai Steel did not report entered value, we calculated the entered value in order to calculate the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the average<sup>13</sup> of the cash deposit rates calculated for Hyundai Steel and SeAH. The amended final results of this review shall be the basis for the assessment of antidumping duties on entries of

<sup>13</sup> This rate was calculated as discussed in footnote 11, above.

merchandise covered by the amended final results of this review and for future deposits of estimated duties, where applicable.<sup>14</sup>

We intend to issue liquidation instructions to CBP for Hyundai Steel, SeAH, and the companies subject to the review-specific average rate 15 days after publication of these amended final results of this administrative review.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective retroactively for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after July 18, 2018, the date of publication date of the *Final Results*, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.38 percent, the all-others rate established in the LTFV investigation.<sup>15</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

<sup>14</sup> See section 751(a)(2)(C) of the Act.

<sup>15</sup> See *Welded Line Pipe from the Republic of Korea and the Republic of Turkey: Antidumping Duty Orders*, 80 FR 75056, 75057 (December 1, 2015).

#### Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These amended final results and notice are issued and published in accordance with sections 751(h) and 777(i) of the Act and 19 CFR 351.224(e).

#### Certain Corrosion-Resistant Steel Products From India: Preliminary Results of Antidumping Duty Administrative Review; 2016-2017

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that certain corrosion-resistant steel products (CORE) from India are being, or are likely to be sold, at less than normal value during the period of review (POR), January 4, 2016, through June 30, 2017. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable August 10, 2018.

**FOR FURTHER INFORMATION CONTACT:** Rachel Greenberg or Kabir Archuleta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0652 or (202) 482-2593, respectively.

**SUPPLEMENTARY INFORMATION:**

## Background

Commerce is conducting an administrative review of the antidumping duty order on CORE from India in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).<sup>1</sup> The review covers one producer/exporter of the subject merchandise, JSW Steel Ltd. and JSW Steel Coated Products Limited (collectively, JSW). During the investigation, Commerce found JSW to be a single entity and, because there were no changes to the facts that supported that determination, we continue to find that these companies are a part of a single entity for this administrative review.<sup>2</sup> Interested parties are invited to comment on these preliminary results.

Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through 22, 2018.<sup>3</sup> On March 12, 2018, Commerce postponed the preliminary results of this review until August 3, 2018.<sup>4</sup>

## Scope of the Order

The products covered by this order are CORE from India. For a full description of the scope, see the Preliminary Decision Memorandum dated concurrently with and hereby adopted by this notice.<sup>5</sup>

## Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of the topics included in the Preliminary Decision Memorandum is included at the Appendix to this notice. The Preliminary Decision Memorandum is a

## Preliminary Results of Review

We preliminarily determine that, for the period of January 4, 2016, through June 30, 2017, the following weighted-average dumping margin exists:

Exporter/producer	Weighted-average dumping margin (percent)
JSW Steel Ltd./JSW Coated Products Limited .....	15.33

## Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results. Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs. Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities. Case and rebuttal briefs should be filed using ACCESS.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to

those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

## Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. If JSW's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate an importer-specific *ad valorem* antidumping duty assessment rate based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If JSW's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by JSW for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

## Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for JSW will be the rate established in the final results

of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 0.00 percent, the all-others rate established in the investigation.<sup>6</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of the antidumping duties reimbursement.

The preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act and sections 19 CFR 351.213(h)(1) and 351.221(b)(4).

We invite interested parties to comment on these preliminary results.

**DATES:** Effective Applicable August 10, 2018.

#### Background

Commerce is conducting an administrative review of the antidumping duty order on certain pasta (pasta) from Italy. The period of review

(POR) is July 1, 2016, through June 30, 2017.

#### Scope of the Order

The merchandise subject to the *Order*<sup>1</sup> is certain pasta from Italy and is currently classifiable under items 1901.90.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive. A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.<sup>2</sup>

#### Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Constructed export price or export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and is available to all parties in the Central Records Unit, Room B-8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

#### Preliminary Results of the Review

As a result of this review, we calculated a weighted-average dumping margin of 5.97 percent for Ghigi/Zara and a *de minimis* margin for Indalco for the period July 1, 2016, through June 30, 2017. Therefore, in accordance with section 735(c)(5)(A) of the Act, we assigned the weighted-average dumping margin of 5.97 percent calculated for Ghigi/Zara to the seven non-selected companies in these preliminary results, as referenced below.
