Scope of the Order

The products covered by the order are certain stainless steel butt-weld pipe fittings. Certain stainless steel butt-weld pipe fittings are under 14 inches in outside diameter (based on nominal pipe size), whether finished or unfinished. For a full description of the scope of the order, see the Appendix to this notice.

Initiation of Changed Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), Commerce will conduct a changed circumstances review upon receipt of information concerning, or a request from an interested party of, an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. In its request for initiation, the petitioners provided information indicating that since the issuance of the Order, there has been a change in the trading patterns and activities of Enlin, Vinox, and E N Corporation. The petitioners assert that the information provided demonstrates that the Order is being evaded. In accordance with 19 CFR 351.216(d), based on the information provided by the petitioners regarding new trading patterns and possible evasion of the Order, Commerce finds that changed circumstances sufficient to warrant the initiation of a changed circumstances review exist. Therefore, we are initiating a changed circumstances administrative review, pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(b) and (d) to determine whether action is necessary to maintain the integrity of the Order. Commerce intends to publish in the Federal Register a notice of preliminary results of the antidumping duty changed circumstances review, in accordance with 19 CFR 351.221(b)(4) and 351.221(c)(3)(i), which will set forth Commerce’s preliminary factual and legal conclusions. Commerce will issue its final results of review in accordance with the time limits set forth in 19 CFR 351.216(e).

Scope of the Order

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, i.e., a government financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific. For a full description of the methodology underlying our conclusion, see the accompanying Preliminary Decision Memorandum.

Preliminary Results of Review

In accordance with 19 CFR 351.224(b)(4)(i), we calculated a countervailable subsidy rate for Ozdemir, the sole respondent in this review. We preliminarily determine that the following subsidy rate exists for Ozdemir for the period December 28, 2015, through April 25, 2016, and September 12, 2016, through December 31, 2016:

Assessment Rate

Consistent with section 751(a)(1) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated for Ozdemir with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.
