contained in 31 U.S.C. 3711(e). The purpose of these disclosures is to provide an incentive for debtors to repay delinquent Federal Government debts by making these debts part of their credit records.

**POLICIES AND PRACTICES FOR STORAGE OF RECORDS:**
Records are maintained in database servers, file folders, compact discs, digital versatile discs, and magnetic tapes.

**POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:**
Records are retrieved by SSN or other identifying number.

**POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:**
All records are retained and disposed of in accordance with Department records schedule, National Archives and Records Administration (NARA) disposition authority DAA–0441–2017–002 (“FSA Health Education Assistance Loan (HEAL) Program Online Processing System (HOPS)”). Records shall be destroyed seven years after cutoff. Cutoff is annually upon final payment or discharge of the loan.

**ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:**
All users of the HEAL System will have a unique user ID with a password. All physical access to the data housed within the VDC is controlled and monitored by security personnel who check each individual entering the building for his or her employee or visitor badge. The computer system employed by the Department offers a high degree of resistance to tampering and circulation with firewalls, encryption, and password protection. This security system limits data access to Department and contract staff on a “need-to-know” basis, and controls individual users’ ability to access and alter records within the system.

**RECORD ACCESS PROCEDURES:**
If you wish to gain access to your record in the system of records, provide the System Manager with necessary particulars such as your name, date of birth, SSN, and any other identifying information requested by the Department while processing the request to distinguish between individuals with the same name. You must also provide a reasonable description of the record, specify the information being contested, the corrective action sought, and the reasons for requesting the correction, along with supporting information to show how the record is inaccurate, incomplete, untimely, or irrelevant. Requests by an individual to amend a record must meet the requirements of the regulations in 34 CFR 5b.7.

**NOTIFICATION PROCEDURES:**
If you wish to determine whether a record exists about you in the system of records, provide the System Manager with necessary particulars such as your name, date of birth, SSN, and any other identifying information requested by the Department while processing the request to distinguish between individuals with the same name. Your request must meet the requirements of the regulations in 34 CFR 5b.5, including proof of identity.

**EXEMPTIONS PROMULGATED FOR THE SYSTEM:**
None.

**HISTORY:**
The system of records entitled “Health Education Assistance Loan (HEAL) Program” (18–11–20) was previously maintained by the HHS, at which time it was entitled “Health Education Assistance On-Line Processing System (HOPS)” (09–15–0044). HHS last published that system of records in the Federal Register on February 1, 2010 (75 FR 5094–5097). The system was modified in the transfer from HHS to the Department. The Department published a revised system of records notice in the Federal Register on June 26, 2014 (79 FR 36299–36302), changing the name and numbering of the system of records to the “Health Education Assistance Loan (HEAL) program” (18–11–20). The Department published a notice of a modified system of records in the Federal Register on January 23, 2017 (82 FR 7807–7812) Through this notice, the Department modifies the January 23, 2017, notice of a modified system of records and republishes in full the HEAL program system of records notice in the required format found in OMB Circular No. A–108, issued on December 23, 2016.

**Electricity Advisory Committee**

**AGENCY:** Office of Electricity, Department of Energy.

**ACTION:** Notice of renewal.

**SUMMARY:** Pursuant to the Federal Advisory Committee Act, and in accordance with Title 41 of the Code of Federal Regulations, and following consultation with the Committee Management Secretariat, General Services Administration, notice is hereby given that the Electricity Advisory Committee’s (EAC) charter has been renewed for a two-year period beginning on August 8, 2018.

The Committee will provide advice and recommendations to the Assistant Secretary for Electricity on programs to modernize the Nation’s electric power system.

Additionally, the renewal of the EAC has been determined to be essential to conduct Department of Energy business and to be in the public interest in connection with the performance of duties imposed upon the Department of Energy by law and agreement. The Committee will continue to operate in accordance with the provisions of the Federal Advisory Committee Act, adhering to the rules and regulations in implementation of that Act.
