

in general, to protect investors and the public interest.<sup>15</sup> The proposed rule change would make a number of clarifying and conforming changes to OCC's Margin Policy and Margins Methodology related to enhancements to OCC's margin methodology that were recently approved by the Commission.<sup>16</sup> Specifically, the proposed rule change is designed to improve OCC's policy and methodology documentation by clarifying certain implementation details of the methodology changes in the Initial Filings, ensuring that OCC's Margin Policy is properly aligned with the methodology enhancements upon their implementation, and clarifying the implementation date for these changes. OCC believes that the proposed rule change is therefore designed, in general, to protect investors and the public interest in accordance with Section 17A(b)(3)(F) of the Act.<sup>17</sup>

#### (B) Clearing Agency's Statement on Burden on Competition

Section 17A(b)(3)(I) of the Act<sup>18</sup> requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. OCC does not believe that the proposed rule change would have any impact or impose a burden on competition. The proposed rule change is intended to make clarifying and conforming changes to OCC's Margin Policy and Margins Methodology in connection with the implementation of a proposed rule change that was previously approved by the Commission. Accordingly, OCC does not believe that the proposed rule change would have any impact or impose a burden on competition.

#### (C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were not and are not intended to be solicited with respect to the proposed rule change and none have been received.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>21</sup>
