j. *Description of Proceeding*: The licensee, Briar Hydro Associates, LLC, requests that the Commission extend the license term for its Penacook Lower Falls Project No. 3342, approximately 2 years, from October 31, 2022 to November 30, 2024, to synchronize the license expiration date with the licensee's two other projects, so that they can be relicensed concurrently. The licensee's other two projects, the Penacook Upper Falls Project No. 6689 and the Rolfe Canal Project No. 3240, have licenses that expire on November 30, 2024 and all three projects are located on the Contoocook River.

The licensee states that extending the license terms for the project would allow for better coordination during relicensing for all of its projects. The licensee's request includes correspondence from the U.S. Fish and Wildlife Service and National Marine Fisheries Service supporting the license extension. The licensee has filed a Notice of Intent and Pre-Application Document for applying for a new license for the project which the licensee states they will withdraw should the license extension be granted.

### I. Background

Section 1473 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act)<sup>1</sup> included amendments to Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989<sup>2</sup> (Title XI). Section 1103 of Title XI,<sup>3</sup> *Functions of Appraisal Subcommittee*, was amended by the Dodd-Frank Act to require the ASC to maintain a national registry of appraisal management companies (AMCs) of those AMCs that are either:

(1) Registered with and subject to supervision by a State that has elected to register and supervise AMCs; or (2) are operating subsidiaries of a Federally regulated financial institution (Federally regulated AMCs). Section 1117 of Title XI,<sup>4</sup> *Establishment of State appraiser certifying and licensing agencies*, was amended by the Dodd-Frank Act to include additional duties for States, if they so choose, to: (1) Register and supervise AMCs; and (2) add information about AMCs in their State to the national registry of AMCs (AMC Registry). Section 1124 of the Dodd-Frank Act required the federal banking agencies, the Federal Housing Finance Agency, and the Consumer Financial Protection Bureau (collectively, the Agencies) to jointly promulgate a rule establishing minimum requirements for the State supervision and registration of AMCs, and to promulgate regulations for the reporting of activities of AMCs to the ASC.<sup>5</sup> The Agencies' implementing regulations provide that each State electing to register AMCs pursuant to Title XI must submit information to the ASC concerning AMCs that operate in the State, including AMCs' violations of law, disciplinary and enforcement actions against AMCs, and other relevant information about AMCs' operations.<sup>6</sup> The Agencies' implementing regulations also provide that a Federally regulated
