Petition for Waiver of Compliance

Under part 211 of Title 49 of the Code of Federal Regulations (CFR), this document provides the public notice that on July 26, 2018, the Grand Canyon Railway (GCRY) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 230, Steam Locomotive Inspection and Maintenance Standards. FRA assigned the petition docket number FRA–2018–0059. GCRY maintains and operates No. 29, a 2–8–0 “Consolidation” type steam locomotive built by the American Locomotive Works in 1906 for the Lake Superior & Ishpeming Railroad. GCRY occasionally operates No. 29 to pull excursion trains from Williams, AZ, to the Depot at the rim of the Grand Canyon.

GCRY requests relief from performing the 1,472 service day inspection (SDI), for No. 29, as it pertains to the inspection of the boiler every 15 calendar years or 1,472 service days. See 49 CFR 230.7. This relief would extend the inspection date from May 2, 2019, to the completion of the GCRY operating season on October 31, 2019. It is expected that they would accrue approximately 15 service days during this extension period. At the last annual inspection, the locomotive accrued 410 service days toward the allowable 1,472 service days. GCRY also requests relief from performing the annual inspection required by 49 CFR 230.16. This relief would extend the current annual inspection by only 15 service days.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

Alcohol and Tobacco Tax and Trade Bureau (TTB)

Title: Drawback on Distilled Spirits Exported.
OMB Control Number: 1513–0042. Type of Review: Revision of a currently approved collection.
Abstract: Under the Internal Revenue Code (IRC) at 26 U.S.C. 5062, persons who export tax-paid distilled spirits may claim drawback of the excise tax.
paid on those spirits, under regulations prescribed by the Secretary of the Treasury (the Secretary). Under the TTB regulations, persons use TTB F 5110.30 to claim drawback of the Federal alcohol excise taxes paid on exported distilled spirits. The form requests, among other information, data regarding the claimant, the tax-paid spirits exported, and the amount of tax to be refunded. This information collection is necessary to protect the revenue as it allows TTB to verify that the excise tax has been paid on the spirits and that the spirits have been exported.

Form: TTB F 5110.30.
Affected Public: Businesses or other for-profits.
Estimated Total Annual Burden Hours: 800.

Title: Application and Permit to Ship Puerto Rican Spirits to the United States without Payment of Tax.

OMB Control Number: 1513–0043.
Type of Review: Extension without change of a currently approved collection.

Abstract: The Internal Revenue Code (IRC) at 26 U.S.C. 7652 imposes on Puerto Rican distilled spirits shipped to the United States for consumption or sale a tax equal to the internal revenue tax (excise tax) imposed in the United States on distilled spirits of domestic manufacture. However, the IRC at 26 U.S.C. 5314 also states that spirits may be withdrawn from the bonded premises of a distilled spirits plant in Puerto Rico pursuant to an authorization issued under the laws of Puerto Rico. Under those IRC authorities, TTB has issued regulations in 27 CFR part 26, Liquors and Articles from Puerto Rico and the Virgin Islands, which require respondents to use form TTB F 5110.31 to apply for and receive permission to ship Puerto Rican distilled spirits to the United States without payment of Federal excise tax. The form identifies the specific spirits to be shipped, the amount of spirits shipped and received, and the shipment’s consignor in Puerto Rico and consignee in the United States. The collected information is necessary to protect the revenue.

Form: TTB F 5110.31.
Affected Public: Businesses or other for-profits.
Estimated Total Annual Burden Hours: 375.

Title: Reports of Removal, Transfer, or Sale of Processed Tobacco.

OMB Control Number: 1513–0130.
Type of Review: Revision of a currently approved collection.

Abstract: The Internal Revenue Code at 26 U.S.C. 5722 requires importers and manufacturers of tobacco products, processed tobacco, or cigarette papers and tubes to make reports containing such information, in such form, at such times, and for such periods as the Secretary by regulation prescribes. While processed tobacco is not subject to Federal excise tax under the IRC, tobacco products subject to such taxes may be manufactured using processed tobacco. To protect the revenue by minimizing diversion of processed tobacco to illegal manufacturers, TTB has issued regulations that require persons holding TTB permits as importers or manufacturers of processed tobacco or tobacco products to report all removals, transfers, or sales of processed tobacco made for export or for shipment to any domestic entity that does not hold a such a permit or a permit to operate as an export warehouse proprietor. In general, respondents must report each such shipment by the close of the next business day using form TTB F 5250.2. However, exporters may apply to TTB to report removals made for export using a monthly summary report. TTB F 5250.2 and the monthly summary report require information identifying the TTB permit holder making the processed tobacco shipment, the type and quantity of processed tobacco shipped, the person(s) purchasing (or receiving) and delivering the processed tobacco, and the destination address of the shipment.

Form: TTB F 5250.2.
Affected Public: Businesses or other for-profits.
Estimated Total Annual Burden Hours: 1,613.

Authority: 44 U.S.C. 3501 et seq.
Dated: August 10, 2018.
